The JHM IRB has determined that the above-referenced new application qualifies as exempt research under the DHHS regulations.

If there are changes in this project that may affect this determination, you should consult with the JHM IRB before making those changes.

**45 CFR 46.104(d)(2)(ii)** - Research that only includes interactions involving educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior (including visual or auditory recording) where any disclosure of the human subjects' responses outside the research would not reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, educational advancement, or reputation;

The Board has determined that No Progress Report is required for this application.

To keep the JHM IRB application current we are assigning an expiration date as noted above. Prior to the expiration date, you will receive an email notification indicating that some action is required. If the Board has determined that a Continuing Review or Progress Report is required, you will need to submit Continuing Review or Progress Report prior to the expiration date. If the Board has determined that No Progress Report is required, you may run the administrative extend approval function.
