Title of the project: “Cultivating Hope: Evaluating Organ Donation Awareness Among India's Future Medical Practitioners.”

The

contents of the information sheet dated that was provided have been read carefully by me/explained in detail to me, in a language that I comprehend, and I have fully understood the contents. I confirm that I have had the opportunity to ask questions.

The nature and purpose of the study and its potential risks / benefits and expected duration of the study, and other relevant details of the study have been explained to me in detail. I understand that my participation is voluntary and that I am free to withdraw from the study at any time, without giving any reason, without my medical care or legal right being affected.

I understand that the information collected about me from my participation in this research and sections of any of my medical notes may be looked at by responsible individuals from RIMS, Ranchi. I give permission for these individuals to have access to my records.

2. I agree to take part in the above study. *

Check all that apply.

☐ Yes

☐ No

3. I belong to medical college *

⌵ Dropdown

Mark only one oval.

☐ RIMS Ranchi

☐ AIIMS Deoghar

☐ MGM Jamshedpur
