

Table 4. Species absent from ANPDB

Species	Genus	Category
<i>Albizia lebbbeck</i>	<i>Albizia</i>	Pan-tropical naturalised
<i>Alstonia boonei</i>	<i>Alstonia</i>	Native African — should be in ANPDB
<i>Anthocleista amplexicaulis</i>	<i>Anthocleista</i>	Native African — should be in ANPDB
<i>Argemone mexicana</i>	<i>Argemone</i>	Other / requires manual review
<i>Azadirachta indica</i>	<i>Azadirachta</i>	Pan-tropical naturalised
<i>Carica papaya</i>	<i>Carica</i>	Pan-tropical naturalised
<i>Cassia fistula</i>	<i>Cassia</i>	Other / requires manual review
<i>Cassia siamea</i>	<i>Cassia</i>	Pan-tropical naturalised
<i>Cedrela odorata</i>	<i>Cedrela</i>	Other / requires manual review
<i>Cinchona officinalis</i>	<i>Cinchona</i>	Pan-tropical naturalised
<i>Cissampelos pareira</i>	<i>Cissampelos</i>	Other / requires manual review
<i>Cryptolepis sanguinolenta</i>	<i>Cryptolepis</i>	Native African — should be in ANPDB
<i>Erythrina indica</i>	<i>Erythrina</i>	Pan-tropical naturalised
<i>Euphorbia hirta</i>	<i>Euphorbia</i>	Other / requires manual review
<i>Jatropha curcas</i>	<i>Jatropha</i>	Other / requires manual review
<i>Momordica charantia</i>	<i>Momordica</i>	Other / requires manual review
<i>Ocimum canum</i>	<i>Ocimum</i>	Other / requires manual review
<i>Ocimum gratissimum</i>	<i>Ocimum</i>	Other / requires manual review
<i>Pericopsis elata</i>	<i>Pericopsis</i>	Other / requires manual review
<i>Phyllanthus amarus</i>	<i>Phyllanthus</i>	Other / requires manual review
<i>Phytolacca dodecandra</i>	<i>Phytolacca</i>	Other / requires manual review
<i>Plantago major</i>	<i>Plantago</i>	Other / requires manual review
<i>Senna occidentalis</i>	<i>Senna</i>	Pan-tropical naturalised
<i>Senna siamea</i>	<i>Senna</i>	Pan-tropical naturalised
<i>Strychnopsis thouarsii</i>	<i>Strychnopsis</i>	Other / requires manual review
<i>Tagetes erecta</i>	<i>Tagetes</i>	Other / requires manual review
<i>Tamarindus indica</i>	<i>Tamarindus</i>	Pan-tropical naturalised
<i>Terminalia macroptera</i>	<i>Terminalia</i>	Other / requires manual review
<i>Trema orientalis</i>	<i>Trema</i>	Pan-tropical naturalised
<i>Zingiber officinale</i>	<i>Zingiber</i>	Pan-tropical naturalised
