Dear Sir/Madam

Request to waive article - processing charges (Journal: Systematic Reviews)

The University of KwaZulu-Natal Research Office supports the cost of publication fees for all Department Of Higher Education and Training (DHET) accredited journal articles. As per University policy, the maximum threshold for journals ranked under Quartile one as per the Scimago institutions ranking database is ZAR 15,000.00, such as Systematic Reviews; the researcher must cover all excess costs. If the journal is removed from the DHET listing the researcher will be responsible for all costs incurred.

We request that Biomed Central Ltd waive the article processing charges over and above the ZAR15,000.00 limit offered by the University policy.

Yours Sincerely,

Prof Urmilla Bob (PhD)
University Dean of Research and Full Professor in Geography
