

Tippy-Tap Functional Status Follow-up Questionnaire

A. Household Identification

Interviewer name/ID: _____

Date of interview: _____

GVH / Village: _____

Household ID: _____

B. Household Profile

1. Respondent's gender

- ☐ Male
- ☐ Female

2. Household size (count all members living and eating together)

- ☐ 1–2
- ☐ 3–5
- ☐ 6–8
- ☐ More than 8

3. Is there a child under five years old living in this household?

- ☐ Yes
- ☐ No

4. Respondent's highest level of education

- ☐ None
- ☐ Primary
- ☐ Secondary or higher

C. Tippy-Tap Presence and Functional Status

5. Does this household currently have a tippy-tap?

- ☐ Yes
- ☐ No

If No → skip to Question 9.

6. Is it currently working (water flows when tilted/operated)?

- ☐ Yes
- ☐ No

If Yes → skip to Question 8.

7. If not working, why? (select all that apply)

- ☐ No water available
- ☐ No soap
- ☐ Damaged tippy-tap
- ☐ Damaged/moved by a child in the household
- ☐ Failure to maintain
- ☐ Other (specify) _____

8. For how long has it been in its current (working/not working) state?

- ☐ Less than a month

- ☐ 1–6 months
- ☐ More than 6 months

9. Has this household ever had a tippy-tap before?

- ☐ Yes
- ☐ No

D. Enumerator Observation (not respondent-reported)

10. Enumerator observed a tippy-tap physically present at the household

- ☐ Yes
- ☐ No

11. Enumerator observed it functioning (water released on tilt/operation)

- ☐ Yes
- ☐ No - not applicable, none present

12. Visible damage observed (select all that apply)

- ☐ Broken/missing rope or string
- ☐ Container missing or damaged
- ☐ Pole broken or fallen
- ☐ No visible damage

E. Mechanism -Why Households With Young Children Struggle to Keep It Working

E1. Time and labour (Capability/Opportunity)

13. Who in the household is mainly responsible for repairing or maintaining the tippy-tap?

- ☐ Adult male household member
- ☐ Adult female household member
- ☐ Older child/teenager
- ☐ No one in particular
- ☐ Other _____

14. In the past month, when it needed attention, was someone able to find time to fix or maintain it?

- ☐ Yes, right away
- ☐ Yes, but after a delay
- ☐ No, not yet
- ☐ Not applicable

E2. Child-caused damage (Opportunity)

15. Has a young child in this household ever played with, pulled, or otherwise damaged the tippy-tap?

- ☐ Yes
- ☐ No
- ☐ Not applicable-no young child / no tippy-tap

16. If yes, what happened? (select all that apply)

- ☐ Broke or spilled the container
- ☐ Pulled or broke the rope
- ☐ Knocked over the pole/stand
- ☐ Other _____

E3. Need and motivation (Motivation)

17. How important is it to you to have a working tippy-tap, given the young child/children in this household?

- ☐ Very important
- ☐ Somewhat important
- ☐ Not important

18. If your tippy-tap is not working right now, would you like to fix or rebuild it?

- ☐ Yes
- ☐ No
- ☐ Not applicable-currently working

19. If no, why not? _____

F. Knowledge of Tippy-Tap Construction, Use, and Maintenance

F1. Construction

20. What is a tippy-tap mainly made from?

- ☐ A plastic/tin container, rope or string, and a wooden pole or stand
- ☐ Metal pipes and a tap valve
- ☐ Concrete and bricks
- ☐ Don't know

21. How does a tippy-tap release water when someone wants to wash their hands?

- ☐ Tilting or pressing a pedal that tips the container to pour water
- ☐ Turning a screw-type tap handle
- ☐ Pumping with a hand lever
- ☐ Don't know

22. Where is the best place to set up a tippy-tap?

- ☐ Near the latrine/toilet
- ☐ Inside the bedroom
- ☐ Far from where people walk
- ☐ Don't know

F2. Use

23. What is a tippy-tap mainly used for?

- ☐ Washing hands after visiting the toilet
- ☐ Washing utensils
- ☐ Water storage
- ☐ Don't know

24. Besides after using the toilet, when else should a tippy-tap be used for handwashing?

- ☐ Before eating or preparing food
- ☐ Only when visitors arrive
- ☐ Only on market days
- ☐ Don't know

25. What should be used together with water at a tippy-tap for handwashing to be effective?

- ☐ Soap or ash
- ☐ Water alone is enough
- ☐ Sand
- ☐ Don't know

26. Who in the household should use the tippy-tap?

- ☐ Every household member, including children
- ☐ Only adults
- ☐ Only the person who built it
- ☐ Don't know

F3. Maintenance

27. What is one thing needed to keep a tippy-tap working?

- ☐ Replacing damaged parts and refilling water
- ☐ Painting it regularly
- ☐ Keeping it locked away
- ☐ Don't know

28. What can be done to protect a tippy-tap from damage by young children or animals?

- ☐ Position it or fence it out of their reach
- ☐ Nothing can be done
- ☐ Let children use it unsupervised
- ☐ Don't know

29. What should be done if the rope on a tippy-tap breaks?

- ☐ Repair or replace it promptly
- ☐ Leave it until it stops working entirely
- ☐ Remove the tippy-tap permanently
- ☐ Don't know

G. Context Items

30. Where did you first learn about tippy-tap use?

- ☐ Community health worker/volunteer
- ☐ Village promoter
- ☐ Radio/TV
- ☐ Other/don't know

31. What is this household's main source of water?

- ☐ Borehole
- ☐ River
- ☐ Tap
- ☐ Other _____

32. When did a tippy-tap promoter or health worker last visit this household?

- ☐ Within the last month
- ☐ 1–6 months ago
- ☐ More than 6 months ago
- ☐ Never
