

ETHICAL REVIEW BOARD
(FOR UNDERGRADUATE)
NOWSHERA MEDICAL COLLEGE, NOWSHERA

No: ERB-U / APP / 2026 / 33

Date of Issuance: 17/08/2026

To,

Primary Student Investigator: **Abdul Basit** Roll No: 106 Class: 4th Year MBBS

Faculty Supervisor: **Tania Khattak** Department: **Pathology**

Subject: Formal Ethical Approval for Research Protocol

Dear Student Investigator,

The Ethical Review Board for Undergraduate Research (ERB-U) has reviewed your research protocol titled: **"Evaluating the Impact of a Structured Health Education Intervention on Breast Cancer Awareness, Knowledge, and Attitudes Among Undergraduate Medical Students: A Quasi-Experimental Study."**

The board is pleased to inform you that your protocol has been granted formal ethical approval

Compliance Conditions:

Validity Period: This approval is valid for exactly one calendar year from the date of issuance.

Protocol Deviations: No changes to the approved methodology, sample size, or consent forms may be made without prior written amendment approval from the ERB-U.

Adverse Events: Any unexpected harm, complications, or ethical breaches during data collection must be reported to the board within 48 hours.

Data Security: All data must be kept strictly confidential, securely encrypted, and used only for the purpose stated in your application.

Ethical Review committee will peruse the project during the process.

We wish you success in your undergraduate research endeavor.
