PERMISSION TO CARRY OUT DATA COLLECTION

The Research and Ethics Committee of Masaka Regional Referral Hospital received your letter requesting to do data collection for the research Study proposal titled

Missed Opportunities for eMTCT among Mothers Living with HIV whose Infants Sero-converted in Masaka Regional Referral Hospital, Uganda.

Masaka Regional Referral Hospital REC Committee reviewed your proposal and is very glad to inform you that your request has been accepted

I thank you for having interest in this hospital and we wish you success in this exercise.

Thanks,

TUMUSHIIME CHARLES
For: HOSPITAL DIRECTOR
