Response letter

Comment: Kindly ensure that the affiliations, city and country of all authors, Ethics Approval and Consent to Participate, Consent for Publication, Competing Interests, Author Contributions, Funding, Availability of Data and Materials, and corresponding-author details, including the corresponding author's email address, are included on the Title Page.

Response: Thank you for the careful technical check. We confirm that all requested author information, affiliations, city and country details, corresponding-author information, and the required declaration statements have been included and updated on the revised Title Page. The revised Title Page has been carefully checked to ensure that all required information is presented in accordance with the journal's submission requirements.

Comment: Kindly remove all declaration statements and any other author-identifying information present below or above the Conclusion and Reference sections, or elsewhere in the Blinded Manuscript. Please ensure that the Blinded Manuscript does not contain any information that could reveal the identity of the authors.

Response: We confirm that the Blinded Manuscript has been checked and contains no author-identifying information or declaration statements that could compromise the blinded review process.

Comment: Kindly include the title of the manuscript in the Blinded Manuscript document, if it is missing from the submitted file.

Response: We confirm that the manuscript title is included at the beginning of the revised Blinded Manuscript.

Comment: Kindly ensure that the Blinded Manuscript includes continuous line numbering throughout the document.

Response: We thank the Editorial Office for pointing this out. We have revised the Blinded Manuscript and added continuous line numbering throughout the updated manuscript.

On the behalf of all authors
