**If you have used an escape room as a classroom activity in the past, please...**

8th grade English mystery book escape room. It's been a while so I don't really remember specifics

We had to look for clues and solve math problems to unlock certain parts of a box.

We would do math escape rooms in middle school

Sinclair thing in highschool involving calculus problems to escape

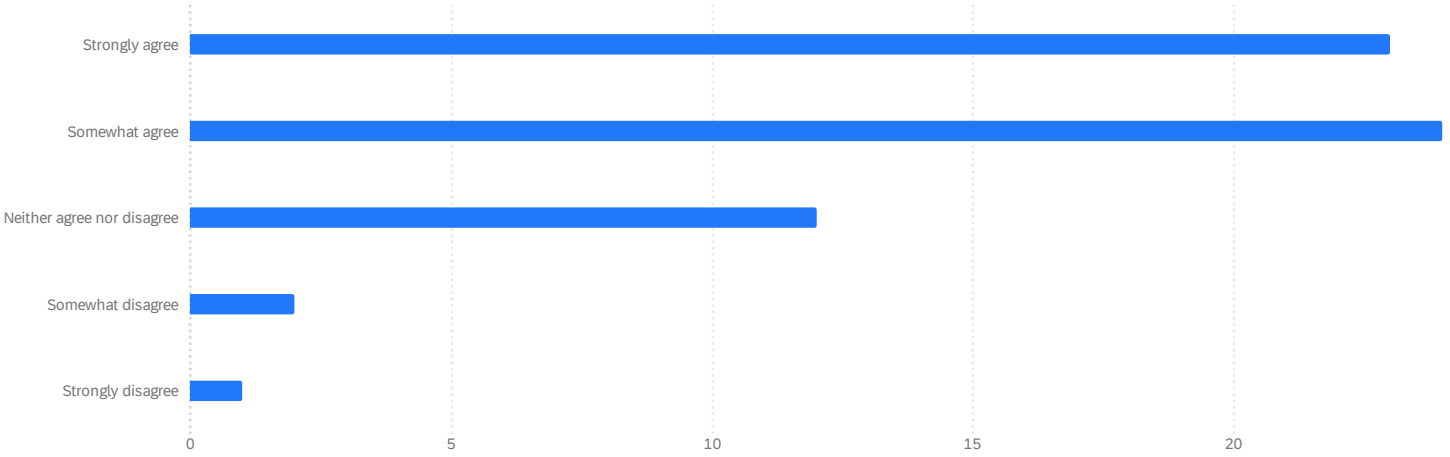

**If you have used an escape room as a classroom activity in the past, please...**

I used it at work as an annual skills check.

In the past it was a website set up with codes to find and when using the right codes you would advance through the site

We used an escape room as an activity to do after our exam for that class. Was for fun.

I am looking forward to participating in the cell biology educational escape room. 62
