DISSEMINATION AND IMPLEMENTATION AWARD AGREEMENT (CR)

THIS DISSEMINATION AND IMPLEMENTATION AWARD AGREEMENT (CR) is made on this **November 1, 2018** (the “Effective Date”) by and between the Patient-Centered Outcomes Research Institute, a District of Columbia nonprofit corporation whose principal office is at 1828 L Street, NW, Washington DC 20036 (hereinafter referred to as "PCORI"), and **Massachusetts General Hospital** whose principal office is at 101 Huntington Ave, Boston, MA 02199 (hereinafter referred to as "Recipient") (this “Agreement” or “Contract”).

WHEREAS, PCORI is an independent, nonprofit organization authorized by federal law that helps people make informed healthcare decisions and improves healthcare delivery and outcomes by producing and promoting high integrity, evidence-based information that comes from research guided by patients, caregivers and the broader healthcare community;

WHEREAS in support of its mission, PCORI funds patient-centered outcomes and comparative clinical effectiveness and related research;

WHEREAS, PCORI recognizes the importance of disseminating and implementing the findings of PCORI-funded research projects to close the gap between evidence development and implementation of evidence into practice;

WHEREAS, PCORI previously funded **Massachusetts General Hospital** to complete the Research Project **Improving Childhood Obesity Outcomes: Testing Best Practices of Positive Outliers** and seeks to support dissemination and implementation activities relating to the findings from the Research Project(s);

WHEREAS, PCORI wishes to enter into this Agreement with Recipient to provide funding to Recipient to develop and complete the dissemination and implementation project and related activities and deliverables as set forth in this Agreement, including the PCORI-approved Project Plan and applicable timeline, budget, and milestones (collectively, the “Project”).

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by PCORI and Recipient, IT IS AGREED:

1. Scope and Conduct of the Project. Recipient agrees to conduct and complete the Project as set forth in this Agreement, including in accordance with the PCORI-approved work plan, timeline, engagement plan, and on the schedule, structure and format (collectively, “Project Plan”), set forth in the attached Appendix A [“Project Plan”], which is incorporated into this Agreement by reference.

request signature by all Parties or may choose to use the Recipient-originated written request to indicate acceptance of the recipient-requested modifications. All amendments, including all modifications, agreed to as set forth herein shall be part of this Agreement.

13.12. Authority. The parties executing this Agreement represent that they have the authority to enter into and bind Recipient and PCORI, respectively.

13.13. Counterparts. To facilitate execution, this Agreement may be executed in as many counterparts as may be required. All counterparts shall collectively constitute a single Agreement. This Agreement may be executed through delivery of duly executed signature pages by facsimile or electronic transmission.

IN WITNESS WHEREOF, each of the Parties hereto has duly executed this Agreement as of the date first set forth above by its duly authorized signatory.
