Supplementary Figure S1

Figure S1. Annual benthic habitat classification maps of Biscayne Bay, Florida, from 2016 to 2025.

Supplementary Table S1

Table S1. Acquisition dates of the Sentinel-2 satellite images selected for annual benthic habitat classification in Biscayne Bay, Florida (2016–2025).

Year	Image acquisition date (MM/DD/YYYY)
2016	03/02/2016
2017	02/25/2017
2018	04/16/2018
2019	01/06/2019
2020	01/26/2020
2021	01/05/2021
2022	01/15/2022
2023	01/10/2023
2024	02/14/2024
2025	01/09/2025

Dates are reported in month/day/year format.
