

Table II

SWD values of each resolution with and without data augmentation. A small value of SWD indicates that the true images and generated images seem to be similar in both appearance and variation.

Resolutions	Augmentation	
	Not used	Used
128x128	5.77	4.25
256x256	5.49	4.68
512x512	5.58	5.45
1,024x1,024	9.23	12.57
