

Table I

Check of normality of each answer with the Shapiro-Wilk test and the check of equal variances with Bartlett's test. All p-values were more than 0.05, which indicated that all answers were considered to have normal distribution and equal variances.

Answers	Shapiro-Wilk test	Bartlett's test
128x128	0.9669	
256x256	0.1934	
512x512	0.2358	0.9938
1,024x1,024	0.4393
