

Have you ever:

- Traded sex for rent?
- Traded sex for food, transportation, or other services?
- Had sex in exchange for money?
- Traded sex for drugs?

**If you answer yes to any of these questions,
your feedback is requested!**

**A University of Pittsburgh research study is exploring
the relationship of healthcare to sexual behaviors like
these, and your opinions matter!**

**Participants are anonymously interviewed. A \$35 gift
certificate will be provided as appreciation for your
time**

**Email YourStory@upmc.edu or Call 412-641-
3712 to join the research team!**
