

Steering to intercept targets following curving trajectories: Insights into visual guidance from Qualitative Inconsistency Detection

Daphne van Opstal, Remy Casanova, Frank T.J.M. Zaal, and Reinoud J. Bootsma

Supplementary information content:

Supplementary Fig. S1: Page-size landscape-oriented enlargements of the four individual panels of Fig. 3 presented in the main text, with Fig.S1a representing the S20/R20-OUT (rightward) trial of Participant 10 in Block 3, Fig.S1b representing the S20/R40-OUT (leftward) trial of Participant 11 in Block 3, Fig.S1c representing the S20/R40-IN (rightward) trial of Participant 7 in Block 3, and Fig.S1d representing the S10/R40-IN (leftward) trial of Participant 12 in Block 3.

Supplementary Fig. S2-P1: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 1.

Supplementary Fig. S2-P2: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 2.

Supplementary Fig. S2-P3: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 3.

Supplementary Fig. S2-P4: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 4.

Supplementary Fig. S2-P5: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 5.

Supplementary Fig. S2-P6: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 6.

Supplementary Fig. S2-P7: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 7.

Supplementary Fig. S2-P8: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 8.

Supplementary Fig. S2-P9: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 9.

Supplementary Fig. S2-P10: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 10.

Supplementary Fig. S2-P11: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 11.

Supplementary Fig. S2-P12: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 12.

Supplementary Fig. S2-P13: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 13.

Supplementary Fig. S2-P14: Page-size landscape-oriented QuID plots for all 120 individual trials of the Participant 14.
