Variable	Label
record_id	Person identifier
usability_timestamp	time when questionair was sent to System
de_0	Name of Pseuo Patient the person looked at
sus1	I think that I would like to use this system frequently.
sus2	I found the system unnecessarily complex.
sus3	I thought the system was easy to use.
sus4	I think that I would need the support of a technical person to be able to use this system.
sus5	I found the various functions in this system were well integrated.
sus6	I thought there was too much inconsistency in this system.
sus7	I would imagine that most people would learn to use this system very quickly.
sus8	I found the system very cumbersome to use.
sus9	I found the system very cumbersome to use.
sus10	I needed to learn a lot of things before I could get going with this system.
derma1	The presentation of the projected treatment pathways appeals to me
derma2	A medical weighing between the treatment pathways is important.
derma3	The affinity score helps me make decisions.
derma5	The system makes it easier for me to discuss options with discuss.
derma4	The system makes it easier for me to discuss options with patients
derma6	The system allows me to keep up with the latest research.
de_1__1	No, reject such applications in principle
de_1__2	No, the presented version does not meet my requirements
de_1__3	Yes, for patients with special forms (e.g. nail psoriasis)
de_1__5	Yes, for multimorbid or pregnant patients

de_1__4	Yes, for patients who are eligible for systemic therapies
de_1__6	Yes, if health insurers grant separate remuneration for this purpose
de_3__1	Lack of confidence in correct operation
de_3__2	Too much time required
de_3__5	Designations not intuitively understandable
de_3__6	No added value to the previous way of working
de_3__7	Unclear how recommendation comes about
de_3__8	Relevant information is missing
de_3__9	Other reasons
de_2	Age in years
de_4	Sex
de_9	In which facility do you work?
de_10	Other facility
de_13	How many psoriasis patients do you treat in a typical work week?
de_12	How much professional experience (rounded to whole years) in dermatology do you have?
Sector	generated inpatient/outpatient sector
patientcount	generated patient count with psoriasis in a week
SUS10	Score System usability scale per 10 units
