

INFORMED CONSENT

Data of the study for which consent is given

Principal investigator: Lola Llobat

Project title: Genetic resistance against Leishmania in Ibizan hounds

Center: Faculty of Veterinary Medicine, Cardenal Herrera-CEU University, Valencia, Spain.

Name of patient:

Owner's name:

1. I declare that I have read the Patient/Owner Information Sheet for the cited study.
2. I have been given a copy of the Patient/Owner Information Sheet and a copy of the signed and dated Informed Consent. The characteristics and objective of the study have been explained to me, as well as its possible benefits and risks.
3. I have had the time and the opportunity to ask questions and present any doubts I had. All questions were answered to my complete satisfaction.
4. I have been assured that my data will be kept confidential.
5. I give consent voluntarily and I know that I am free to withdraw from the study at any time during the study, for any reason and without having any effect on the future medical treatment of the animal.

I GIVE THE CONSENT ☐

I DO NOT GIVE THE CONSENT ☐

I consent to participation in the proposed study.

I sign in duplicate, keeping one copy.

Date:

Participant/Owner signature

"I certify that I have explained the nature and purpose of the study and its potential risks and benefits to the person named above. This person grants her consent by means of her signature dated on this document."

Date:

Signature of the researcher or the person providing the information and the consent form
