

Vedat Marttin was born in Eskisehir, Turkey, in 1982. He received the B.S. degree from the Department of Electronics and Computer Education of Sakarya University, Sakarya, Turkey, in 2007. The M.S. degree from the Computer Engineering, Bilecik University, Bilecik, Turkey, in 2014. Since 2015, he is a Ph.D. student in Department of Electronics and Computer Engineering, Bilecik Seyh Edebali University, Bilecik, Turkey. He has been a Lecturer at the Department of Information Technologies between 2010 and 2021. He currently works as an Assist Professor Computer Engineering Department, Faculty of Engineering at Bilecik Seyh Edebali University, Turkey. His research interest includes D2D communications, LTE, wireless Networks and PSN.

Uğur Yüzgeç was born in Adilcevaz, Bitlis, Turkey, in May 1974. He received the B.S. degree from the Electronics and Communication Engineering Department, Yıldız Technical University, Istanbul, Turkey, in 1995, and the M.S. and Ph.D. degrees from the Electronics and Communication Engineering Department, Kocaeli University, Kocaeli, Turkey, in 1999 and 2005, respectively. From 1998 to 2010, he was a Research Assistant with Electronics and Communication Engineering Department, Kocaeli University. Since 2020, He has been Professor with the Computer Engineering Department, Faculty of Engineering at Bilecik Seyh Edebali University, Turkey. His research interest includes intelligent systems and control, fuzzy, neuro-fuzzy systems, meta-heuristic algorithms, unmanned aerial vehicle and numeric techniques in optimization problem.

Cüneyt Bayılmış was born in Turkey in 1979. He graduated from Department of Electronics and Computer Education of Sakarya University in 2001. He received the M.Sc. degree from Sakarya University, Turkey, in 2001 and Ph.D. degree in Kocaeli University, Turkey in 2006. He currently works as a Professor at Sakarya University, Turkey. His research interests are microcontrollers, CAN, WLAN, wireless internetworking, wireless sensor networks, and web-based applications.

Kerem Küçük was born in Izmit, Turkey, in 1979. He received the B.Sc. and M.Sc. degrees from the Electronics and Computer Education Department, Kocaeli University, Kocaeli, Turkey, in 2002 and 2005, respectively. He received the Ph.D. degree in Kocaeli University, Turkey in 2010. He currently works as a Professor with the Software Engineering Department, Faculty of Engineering at Kocaeli University, Turkey. His research interests are wireless communication, computer networks, internet of things.
