

Armin Mazinani was born in Mashhad, Iran, in 1991. He received his Bachelor degree in Computer Engineering from Imam Reza International University, Mashhad, Iran and He received his Master degrees in Computer Engineering from Khayyam University, Mashhad, Iran. He is interested in issues in any field of computer Networks such as Wireless Sensor Networks, Internet of things and Software defined networks.

Sayyed Majid Mazinani was born in Mashhad, Iran on 28 January 1971. He received his Bachelor degree in Electronics from Ferdowsi University, Mashhad, Iran in 1994 and his Master degree in Remote Sensing and Image Processing from Tarbiat Modarres University, Tehran, Iran in 1997. He also received his Ph.D. in Wireless Sensor Networks from Ferdowsi University, Mashhad, Iran in 2009. He is currently assistant

professor at the faculty of Engineering in Imam Reza International University, Mashhad, Iran. He was the head of Department of Electrical and Computer Engineering from 2009 to 2012. His research interests include Computer Networks, Wireless Sensor Networks and Smart Grids.

Mohammed AL-Yasiri was born in Basrah, Iraq, in 1984. He received his Bachelor degree in Electrical engineering from Basrah University, Basrah, Iraq, in 2006 and now studying master degree in electricity and communication (2018 - 2020), in Imam Reza international university, Mashhad, Iran. He has been engineer in Basrah Oil Company, Basrah, Iraq. Now, he is interested in clustering issues of wireless sensor networks.
