

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of ACC

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of BLCA

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of GBMLGG

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of HNSC

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of KIPAN

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of KIRC

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of KIRP

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of LGG

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of LIHC

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of LUAD

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of LUSC

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of MESO

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set OF PAAD

*Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of THYM*

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of UCEC

Frequency of genes in all random gene sets vs. scores of the fixed-point gene set of UVM
