**Sociodemographic and lifestyle data**

How old are you (in completed years)?					What is your tribe?	Munyankole	Mukiga	Muganda	Other
Your highest level of education attained?		None	Primary	Secondary	Tertiary	What is your religion?		Christian	Moslem
What is your marital status?		Single	Married	Widowed	Divorced	Has ever smoked?			Yes
What is your occupation?		Housewife	Business	Student	Civil servant	History of alcohol use			Yes
Her district of residence is?						Her nationality is?			

**Obstetric and medical data**

How many pregnancies have you ever had including this current pregnancy?			Ever diagnosed with Preeclampsia before?			Yes	No			
Parity: how many pregnancies have you ever carried beyond 7 months excluding this one?			--	Has history/current antihypertensive drugs? If yes tick one/more	NO	Nifedipine	Magnesium sulfate			
Estimated Gestational age in weeks today				Today's blood pressure (mmHg)		_ / _	Today's weight (Kg)			
Has symptoms of preeclampsia? If yes tick one/more	NO	Headache	Epigastric pain	Blurred vision	Convulsions or Coma	Today's height (M)	_ . _	History of Chronic Liver Disease		
						ANC Booking BP (mmHg)	_ / _	History of Chronic hypertension		
How many ANC visits are recorded?		None	1-3	Above 4	Number of fetus in this pregnancy is?		Singleton	Multiple		
History of Chronic kidney disease			Yes	No	Has she ever been diagnosed with diabetes?			Yes	No	

**Laboratory data**

Urine protein	Trace	1+	2+	3+	AST (IU/L)	_ . _	ALT (IU/L)	_ . _
Hemoglobin (g/dL)	_ . _	Platelets /ul '000s		_ . . _	HIV serology/ EMTCT code		Positive	Negative
Serum creatinine (mg/dL)	_ . _	Serum Urea (mg/dL)		_ . _	Random blood sugar (mmol/L)		_ . _	Positive leucocyte esterase /nitrite
