

Author 1: Hengliang Tang

Hengliang Tang Associate professor of Beijing Wuzi University, Beijing, China. He received his Ph.D. degree from Beijing University of Technology in 2011. His research interest covers internet of things, virtual reality and pattern recognition.

Author 2: Rongxin Jiao

Rongxin Jiao Received the B.Sc. degree from Beijing Wuzi University, in 2020, where he is currently pursuing the M.Sc. degree. Her main research interests include deep reinforcement learning and the IoT information technology.

Author 3: Fei Xue

Fei Xue Lecturer of Beijing Wuzi University, Beijing, China. He received his Ph.D. degree from Beijing University of Technology in 2016. His research interest covers computing intelligence, machine learning and optimization theory.

Author 4: Yang Cao

Yang Cao received the B.Sc. and M.Sc. degrees from the Taiyuan University of Science and Technology, in 2011 and 2015, respectively, and the Ph.D. degree from the Beijing University of Technology, in 2019. He is currently a Lecturer with Beijing Wuzi University. His main research interests include machine learning and big data analysis.

Author 5: Yongli Yang

Yongli Yang received the Ph.D. degree from the Beijing University of Technology, in 2021. Her research interests are Recommendation System, Machine Learning, Information Security, swarm intelligence and analysis with emphasis on reducing the time and space complexity of sophisticated algorithms.

Author 6: Shiqiang Zhang

Shiqiang Zhang received the Ph.D. degree from the Beijing University of Technology, in 2022. He is currently a Lecturer with Beijing Wuzi University. His main research interests include machine learning and federal Learning.
