

In this study, the data of Andreas (1998), Fairall et al. (1994), and Toffoli et al. (2011) and Troitskaya et al. (2018) were obtained from the Fig.7 of the paper "Field observations of sea spray under Tropical Cyclone Olwyn". (DOI: <https://doi.org/10.1007/s10236-020-01408-x>). This figure is shown below.
