

Module 1 : Single cell RNA-seq

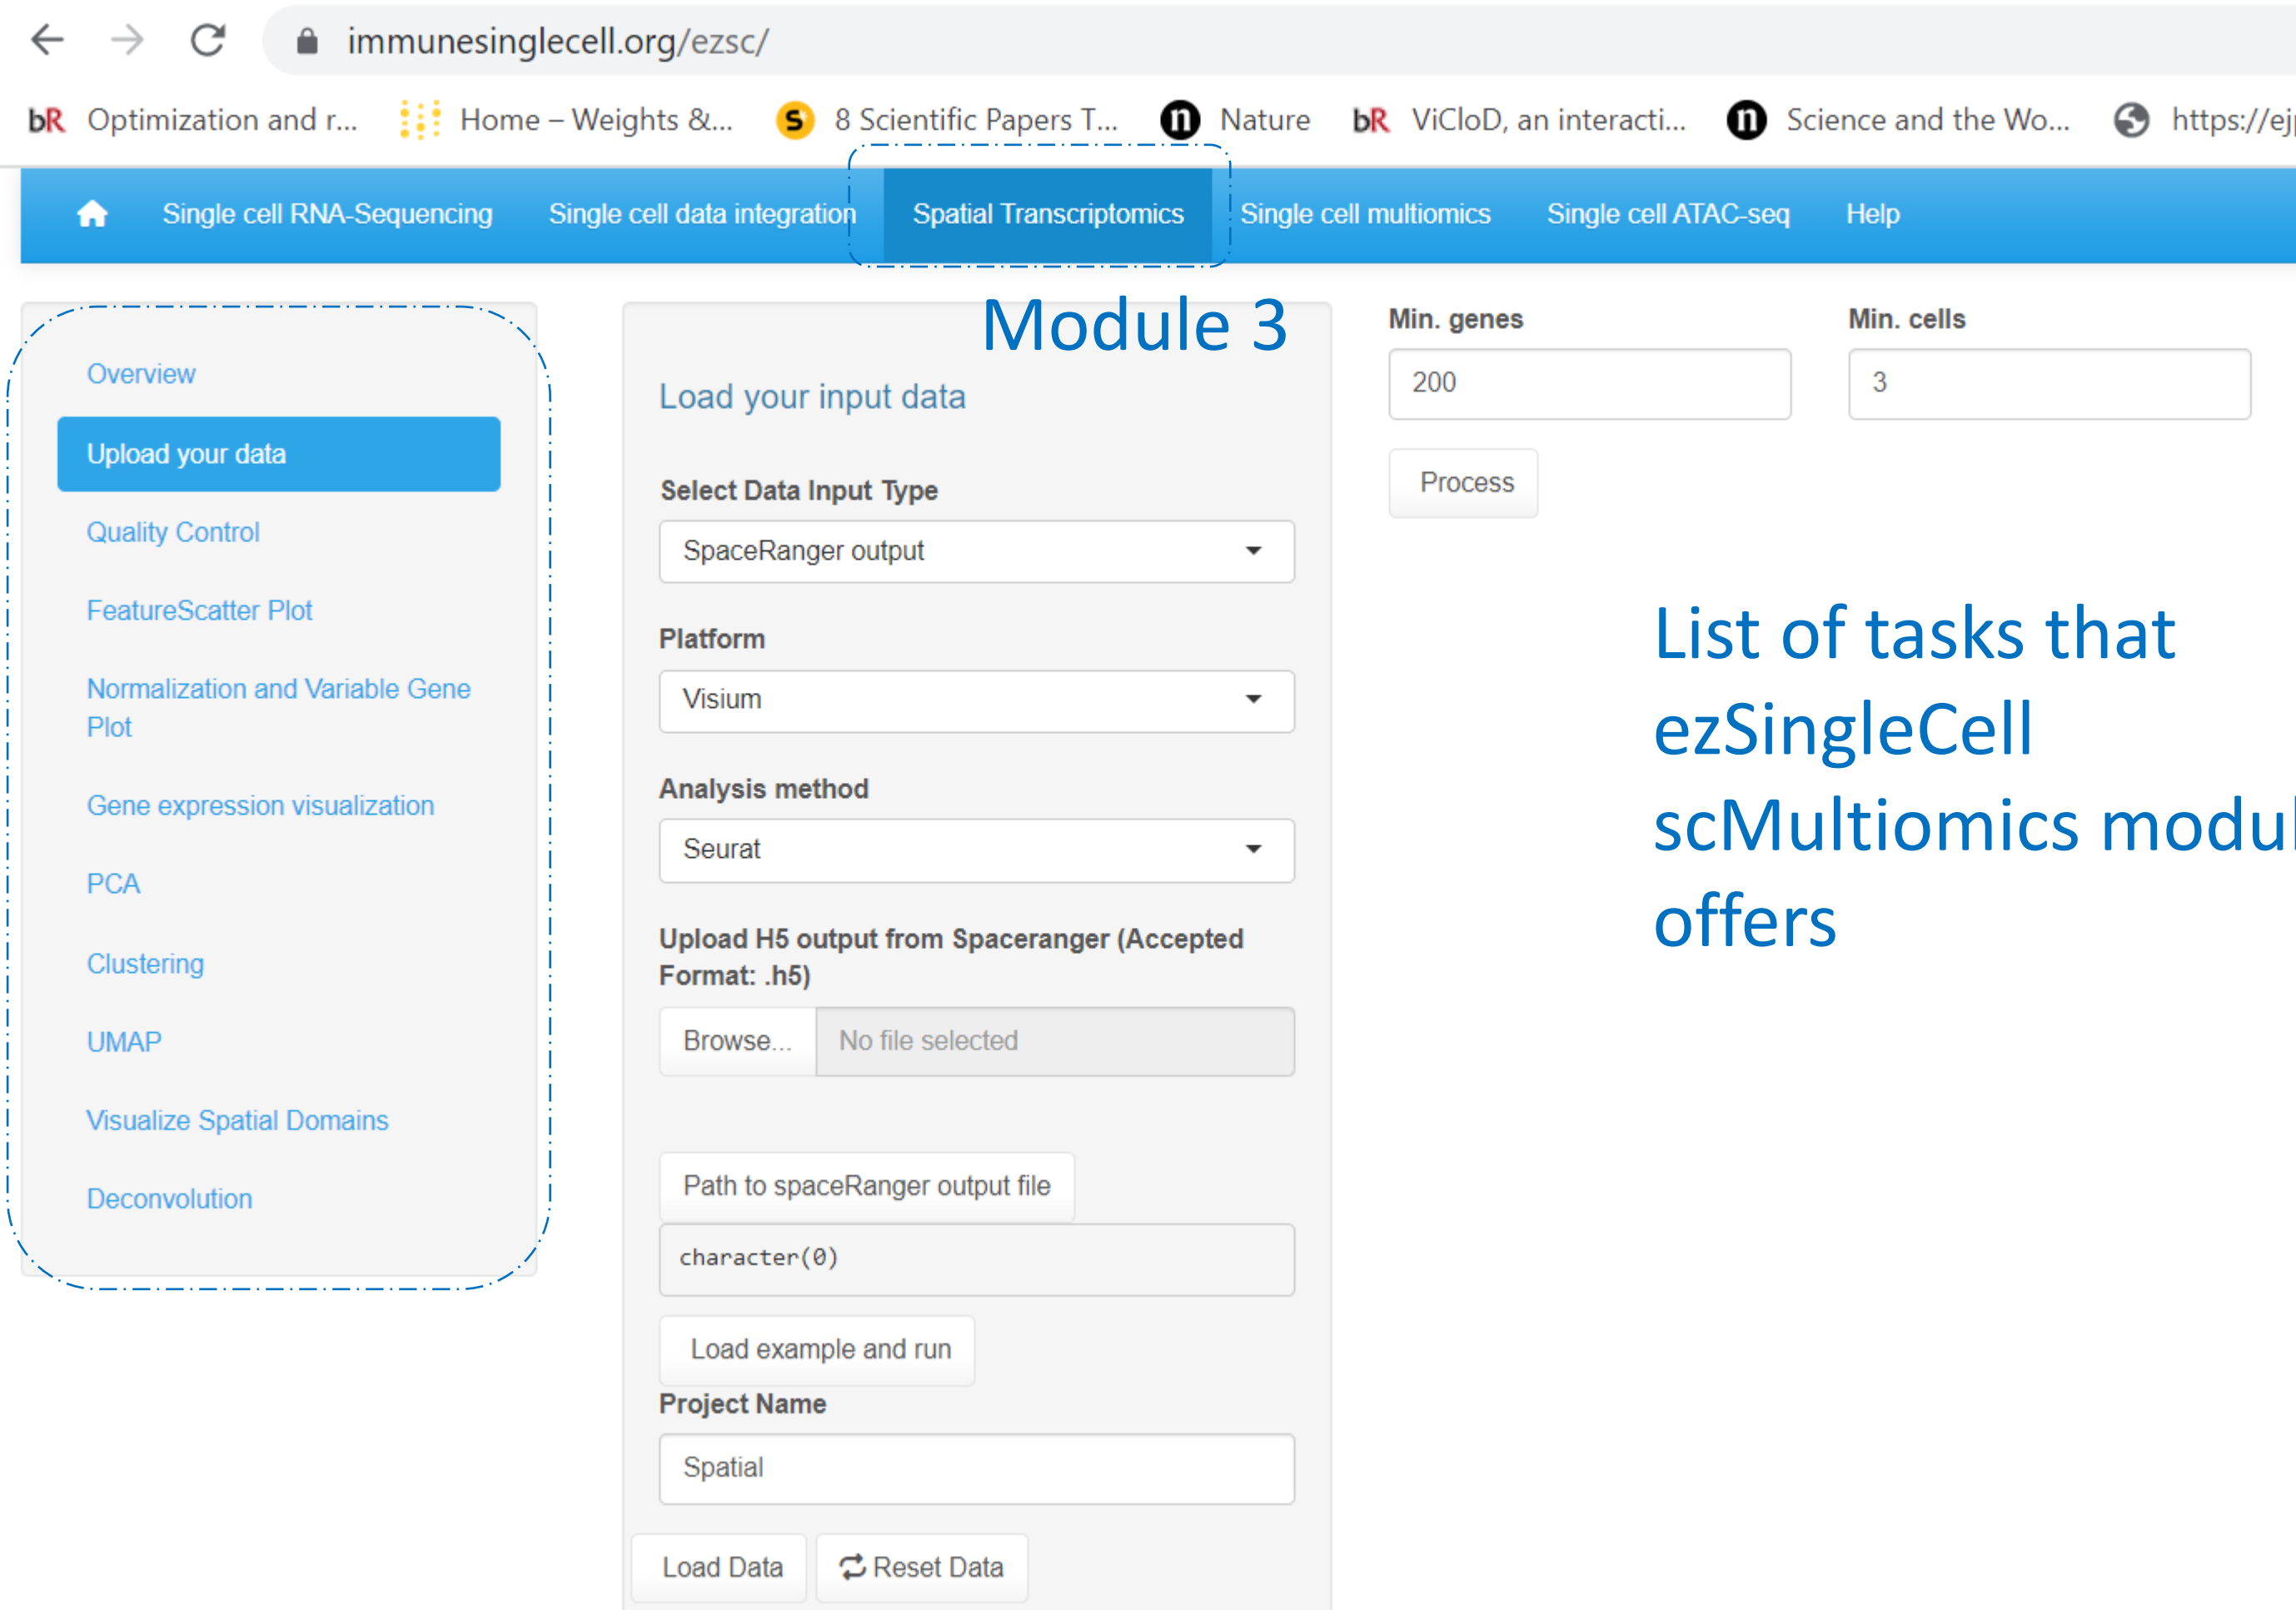

List of tasks that ezSingleCell scRNA-seq module offers

List of tasks that ezSingleCell data integration module offers

Module 2: Data integration

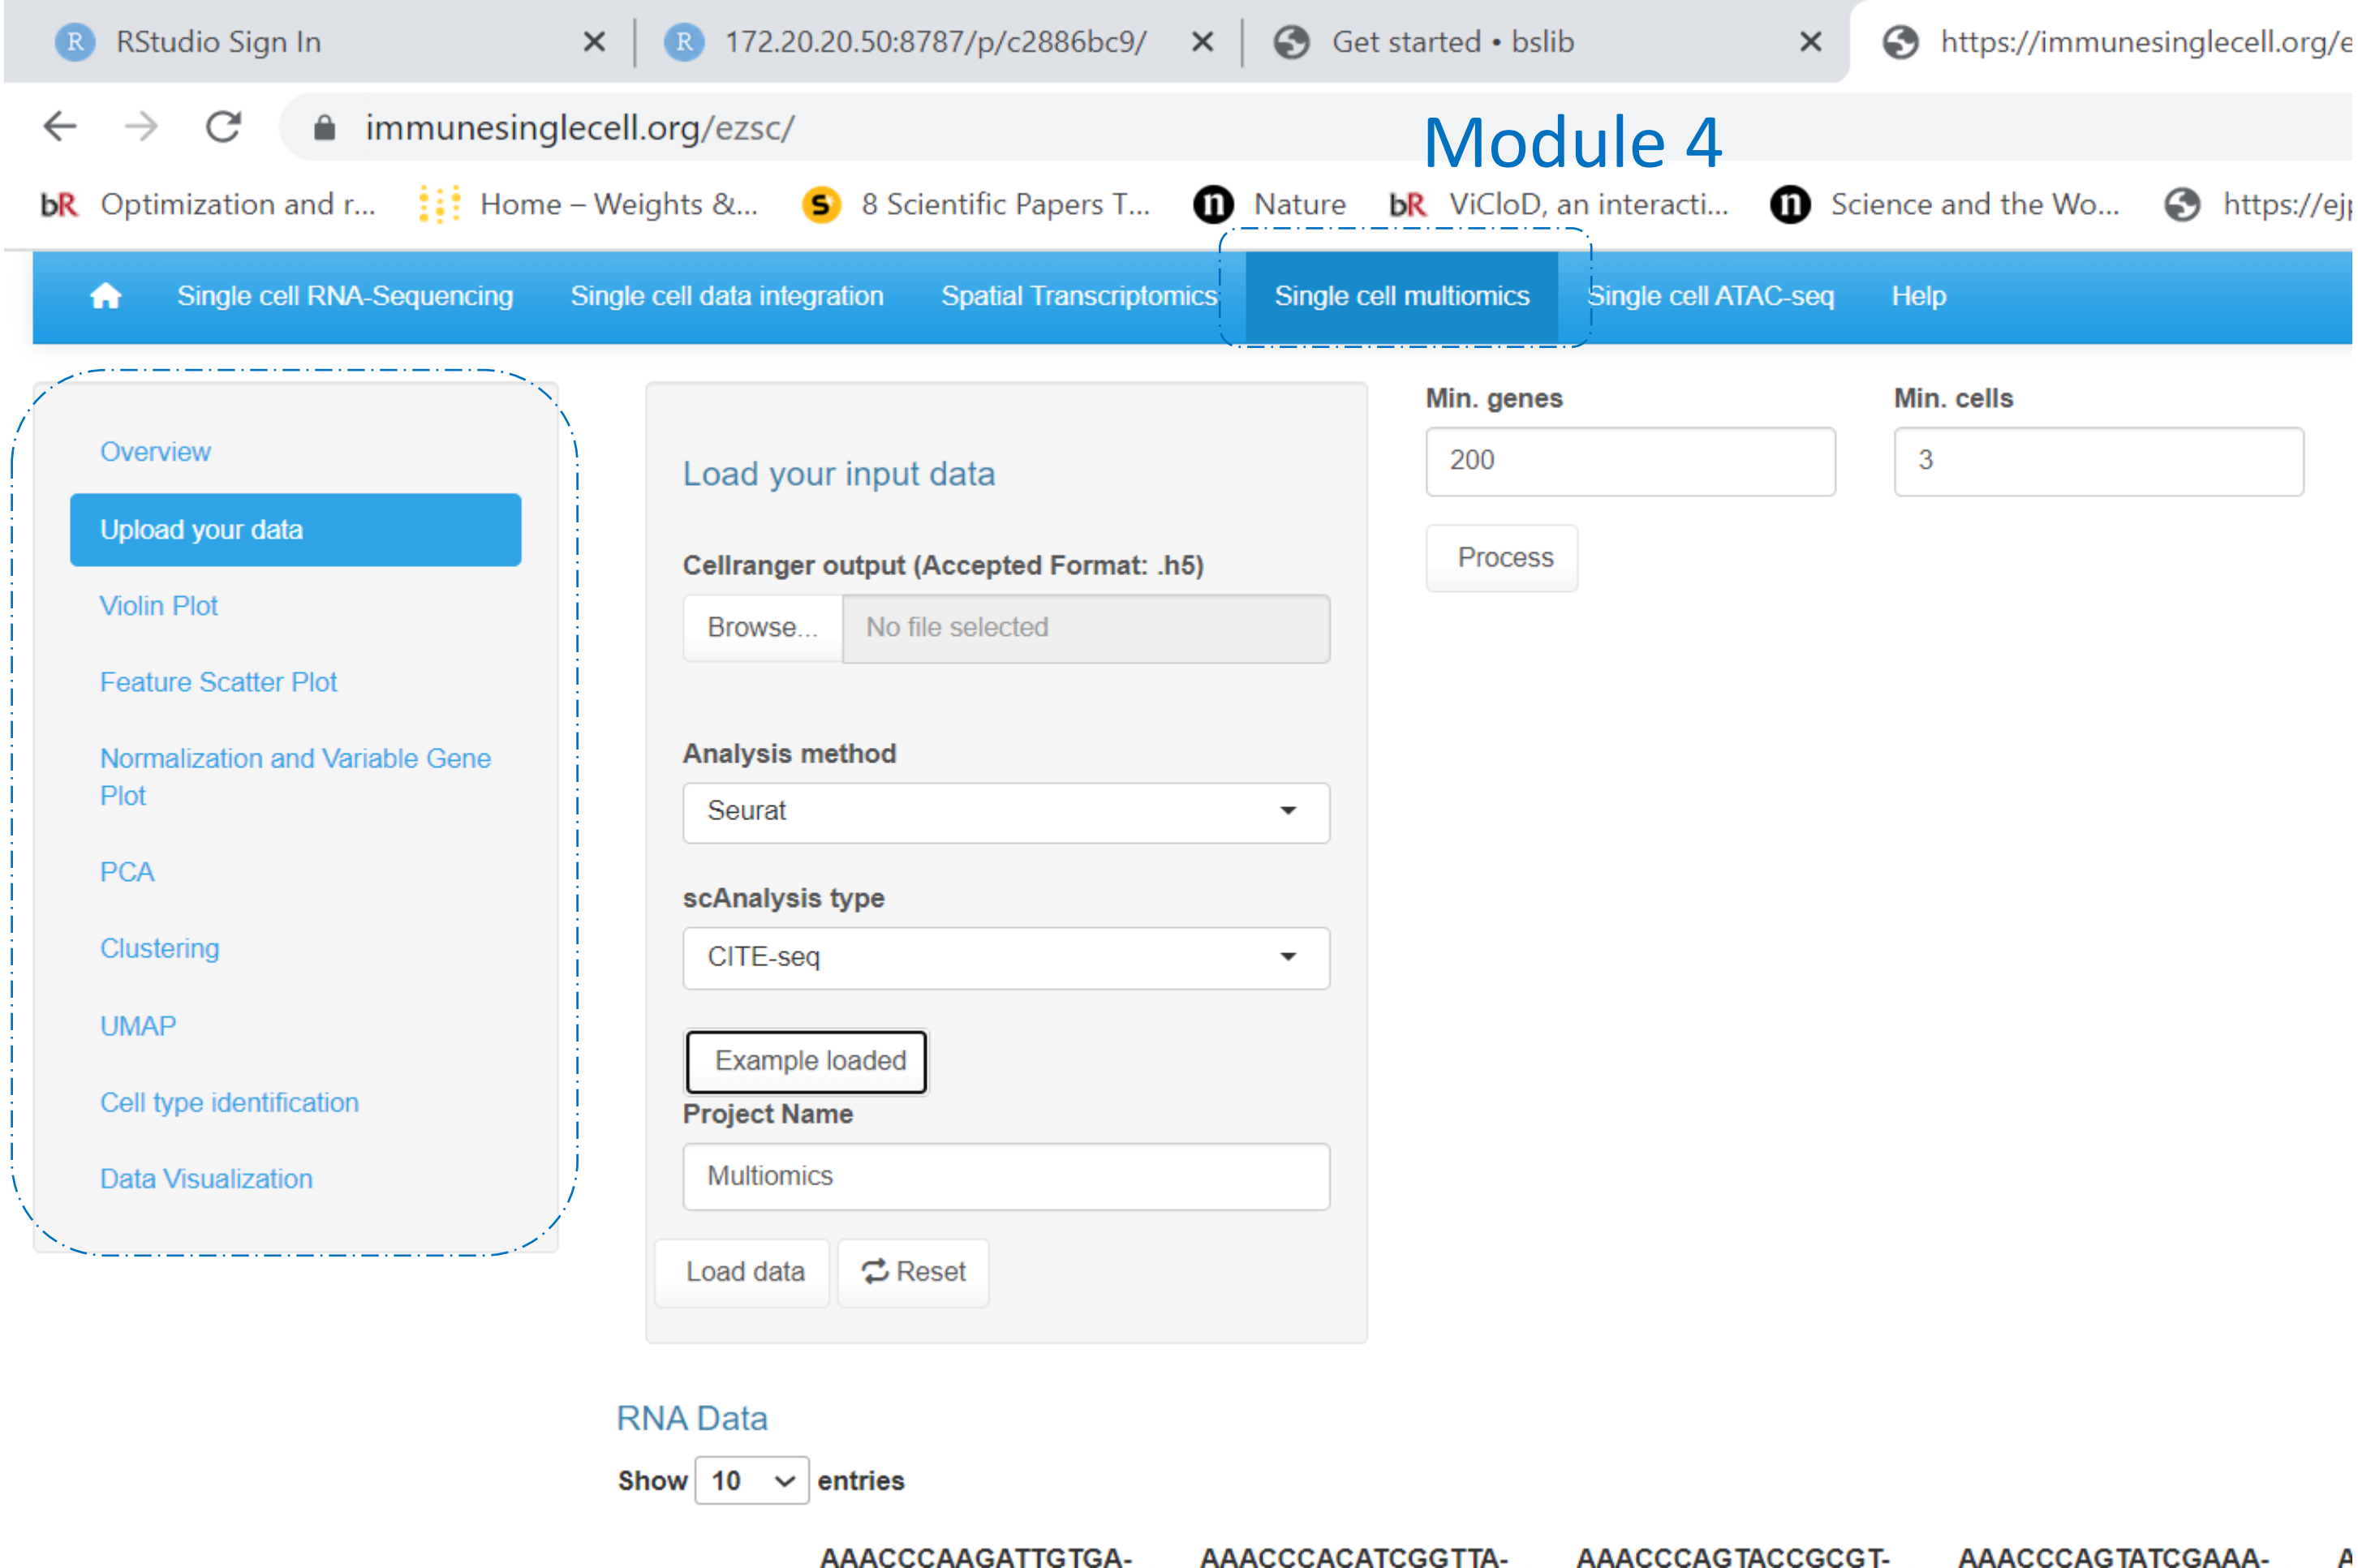

Module 3 : Spatial Transcriptomics

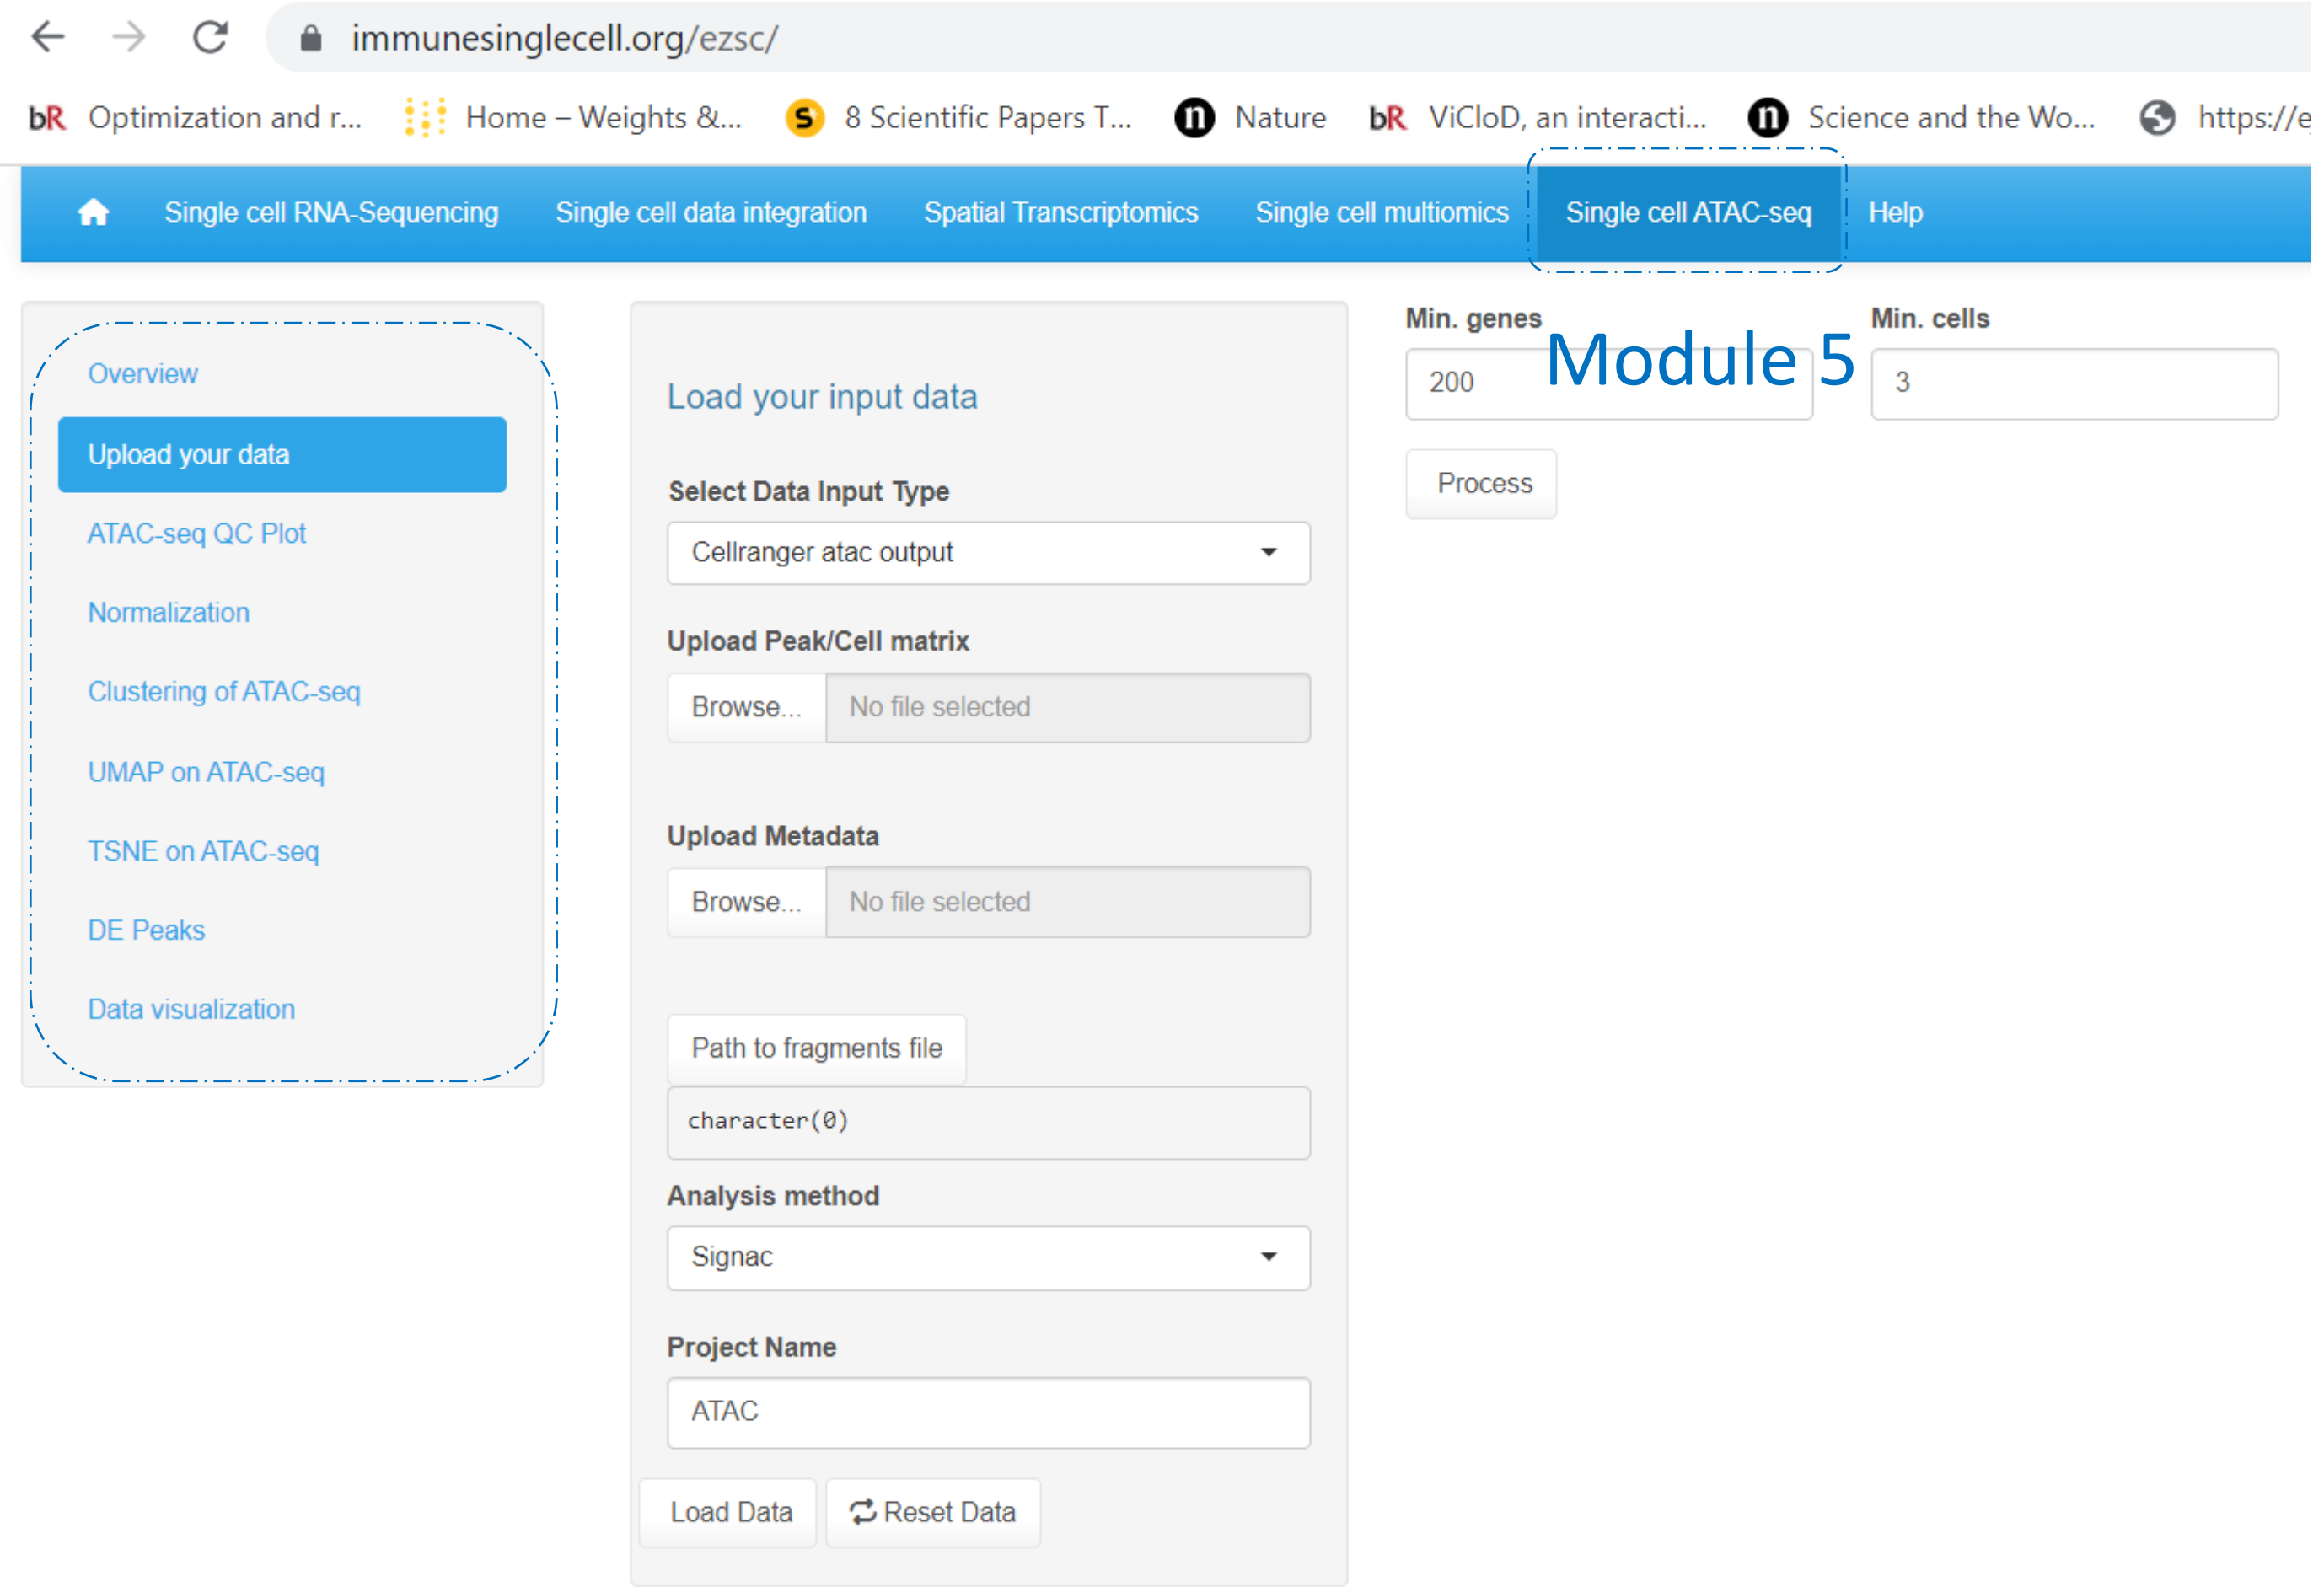

List of tasks that ezSingleCell spatial transcriptomics module offers

List of tasks that ezSingleCell scMultiomics module offers

Module 4: scMultiomics

Module 5 : scATAC-seq

List of tasks that ezSingleCell scATAC-seq module offers
