Dear Prof. Jayawardena,

Sri Lanka Clinical Trials Registry – Trial Registration Confirmation Letter

Scientific Title: Impact of Entrasol Platinum as an oral nutritional supplement on clinical, nutritional and functional outcomes of older adults with malnutrition or at risk of malnutrition: a randomized placebo-controlled trial

Application No: APPL/2022/034

Thank you for submitting your clinical trial to the Sri Lanka Clinical Trials Registry. I am pleased to inform you that your trial has been registered. The registration details are as follows:

Registration No: SLCTR/2022/021

Date of Registration: 06th October 2022

The SLCTR is a Primary Registry linked to the WHO International Clinical Trials Registry Platform (WHO - ICTRP). The SLCTR registered trials can be accessed via the WHO - ICTRP website.

Please note the following, which are requirements of the WHO.

1. Maintenance of trial records: Please note that you are requested to
 - a. Notify the SLCTR of the **actual date of commencement** of the trial
 - b. Send updates of trial progress at 6 months (progress report template attached) following registration and yearly thereafter until the trial is completed
 - c. Notify the SLCTR of any changes to protocol
 - d. Send details of publications (if any) which will be linked / uploaded in the SLCTR website
2. Deletion of trial record from the registry: once registered, no clinical trial may be deleted from the SLCTR.
3. Please note that all phase 2/3 clinical trials require approval by the National Medicines Regulatory Authority, Sri Lanka (NMRA Sri Lanka).

We wish you well in your research efforts.

Yours sincerely
