

Supplemental Figure 1

1. DMEM, SHED-CM and Fibro-CM injection Experimental Design in early phase model.

Early phase:

2. DMEM and SHED-CM injection Experimental Design in middle/late phase model.

Middle/Late phase:

3. M2 macrophage depletion Experimental Design in early phase model.

Early phase:

4. DMEM and M2-CM injection Experimental Design in early phase model.

Early phase:

5. DMEM, SHED-CM, PBS and MCP-1/sSiglec-9 injection Experimental Design in middle phase model.

Middle phase:
