

ID	Description
GO:0002181	cytoplasmic translation
GO:0006119	oxidative phosphorylation
GO:0009060	aerobic respiration
GO:0046034	ATP metabolic process
GO:0045333	cellular respiration
GO:0009205	purine ribonucleoside triphosphate metabolic process
GO:0009144	purine nucleoside triphosphate metabolic process
GO:0009199	ribonucleoside triphosphate metabolic process
GO:0009141	nucleoside triphosphate metabolic process
GO:0015986	proton motive force-driven ATP synthesis

ID	Description
GO:0006119	oxidative phosphorylation
GO:0009060	aerobic respiration
GO:0015986	proton motive force-driven ATP synthesis
GO:0002181	cytoplasmic translation
GO:0042776	proton motive force-driven mitochondrial ATP synthesis
GO:0045333	cellular respiration
GO:0042773	ATP synthesis coupled electron transport
GO:0042775	mitochondrial ATP synthesis coupled electron transport
GO:0019646	aerobic electron transport chain
GO:0009205	purine ribonucleoside triphosphate metabolic process
