

Standards fo Reporting Qualitative Research (SRQR) Statement

Lina Mosch, Akira-Sebastian Poncette, Claudia Spies, Steffen Weber-Carstens, Monique Schieler, Henning Krampe and Felix Balzer, the authors of the original research paper entitled *“Proposal for an Implementation Framework for Digital Health Technology in the Intensive Care Unit: Qualitative Study”*, hereby confirm that they have consulted and followed the items of the SRQR. The SRQR publication [1] is uploaded as additional file in the Editorial Manager and cited in the original manuscript.
