

Supplementary Materials

Figure S1. Genetic association of M-CSF with ITP. (A) Scatter plot, (B) Forest plot, (C) Forest plot of leave-one-out, (D) funnel plot.

(A)

(B)

(C)

(D)

Figure S2. Genetic association of HGF with gestational thrombocytopenia. (A) Scatter plot, (B) Forest plot, (C) Forest plot of leave-one-out, (D) funnel plot.

(A)

(B)

(C)

Figure S3. Genetic association of M-CSF with gestational thrombocytopenia. (A) Scatter plot, (B) Forest plot, (C) funnel plot.

(A)

(B)

(C)

(D)

Figure S4. Genetic association of MIF with gestational thrombocytopenia. (A) Scatter plot, (B) Forest plot, (C) Forest plot of leave-one-out, (D) funnel plot.

(A)

(B)

(C)

(D)

Figure S5. Genetic association of TRAIL with gestational thrombocytopenia. (A) Scatter plot, (B) Forest plot, (C) Forest plot of leave-one-out, (D) funnel plot.
