

GO Terms

- | | | | |
|---|---|--|--|
| ■ nucleosome positioning | ■ chromatin assembly | ■ chromatin remodeling | ■ nucleosome organization |
| ■ chromatin organization | ■ chromatin assembly or disassembly | ■ DNA conformation change | ■ negative regulation of DNA recombination |
| ■ chromosome condensation | ■ DNA packaging | ■ negative regulation of DNA metabolic process | ■ nucleosome assembly |
| ■ protein-DNA complex subunit organization | ■ protein-DNA complex assembly | ■ regulation of DNA recombination | |
