

Supplemental Digital Appendix 1: Outpatient training style of resident physician

		Monday	Tuesday	Wednesday	Thursday	Friday
Parallel Style	AM	Inpatient team	Inpatient team	Outpatient clinic	Inpatient team	Inpatient team
	PM	Outpatient clinic	Inpatient team	Inpatient team	Inpatient team	Outpatient clinic
Block style	AM	Outpatient clinic	Outpatient clinic	Outpatient clinic	Outpatient clinic	Outpatient clinic
	PM	Outpatient clinic	Outpatient clinic	Outpatient clinic	Outpatient clinic	Outpatient clinic

Legend: This is just an example, but parallel training may or may not be done as an outpatient on some days. Block training is only outpatient clinic for one month. The style of mixed style changes from month to month, whether it is parallel training or block training.
