

Longitudinal SARS-CoV-2 seroprevalence in Portugal and antibody maintenance 12 months after the start of the COVID-19 pandemic

AUTHORS' CONTRIBUTIONS (CRediT Taxonomy)

Luísa Canto e Castro

Email: ldloura@fc.ul.pt

Degree: PhD

Contribution: Conceptualization, methodology, software, formal analysis, investigation, methodology, validation, visualization, writing – original draft, and writing – review & editing

Andreia Gomes

Email: andreia.gomes@medicina.ulisboa.pt

Degree: PhD

Contribution: Methodology, resources, investigation, validation, and writing – review & editing.

Marta Serrano

Email: marta.serrano@medicina.ulisboa.pt

Degree: BSc

Contribution: Methodology, resources, investigation, validation, and writing – review & editing.

Ana Helena Guia Pereira

Email: apereira@germanodesousa.com

Degree: BSc

Contribution: Investigation, methodology, and writing – review & editing.

Rita Ribeiro

Email: rribeiro@cm-lab.com

Degree: BSc

Contribution: Investigation, validation, methodology, and writing – review & editing.

Patrícia Napoleão

Email: pnapoleao@medicina.ulisboa.pt

Degree: PhD

Contribution: Data curation, project administration, and writing – review & editing.

Inês Domingues

Email: inesdomingues@medicina.ulisboa.pt

Degree: PhD

Contribution: Data curation, funding acquisition, project administration, and writing – review & editing.

Cláudia Silva

Email: amsilva@medicina.ulisboa.pt

Degree: BSc

Contribution: Project administration, and writing – review & editing.

Júlia Fanczal

Email: julia.fanczal@medicina.ulisboa.pt

Degree: PhD

Contribution: Methodology, resources, investigation, validation, and writing – review & editing.

Ângela Afonso

Email: angelaafonso@medicina.ulisboa.pt

Degree: MSc

Contribution: Methodology, resources, and writing – review & editing.

Andreia Lopes

Email: andreia.lopes@medicina.ulisboa.pt

Degree: MSc

Contribution: Methodology, resources, and writing – review & editing.

Ionela Toader

Email: ionela.toader@medicina.ulisboa.pt

Degree: MSc

Contribution: Methodology, resources, and writing – review & editing.

Maria José Rego de Sousa

Email: mariajsousa@cm-lab.com

Degree: MD, PhD

Contribution: Investigation, resources, methodology, and writing – review & editing.

José Germano Rego de Sousa

Email: germanodesousa@germanodesousa.com

Degree: MD

Contribution: Methodology, resources, and writing – review & editing.

Germano de Sousa

Email: germanosousa@cm-lab.com

Degree: MD

Contribution: Methodology, resources, and writing – review & editing.

Maria M. Mota

Email: mmota@medicina.ulisboa.pt

Degree: PhD

Contribution: Conceptualization, funding acquisition, project administration, and writing – review & editing.

Bruno Silva-Santos

Email: bssantos@medicina.ulisboa.pt

Degree: PhD

Contribution: Conceptualization, funding acquisition, project administration, and writing – review & editing.

Marc Veldhoen

Email: marc.veldhoen@medicina.ulisboa.pt

Degree: PhD

Contribution: Conceptualization, investigation, methodology, supervision, validation, writing – original draft, and writing – review & editing.

Ruy M. Ribeiro

Email: ruy@lanl.gov

Degree: PhD

Contribution: Conceptualization, methodology, software, formal analysis, investigation, validation, writing – original draft, and writing – review & editing
