14. How should we change this section for next year?

15. What did you think of "Interactive, Hands-on Learning Cases"?

16. Cases were: (choose multiple if appropriate)

- ☐ Too long
- ☐ Too short
- ☐ Too many
- ☐ Too few
- ☐ Should include other specialties/disciplines/cancer sites next year
- ☐ Should re-use same or similar cases
- ☐ Should take out cases all together
- ☐ Replace cases with more focus on hands on
- ☐ Replace hands on with more focus on cases

17. How should we change this section for next year

18. What did you think of "Lunch, Networking, Mentorship and Research"?

19. During the lunch period:

- ☐ I was able to connect with interested students
- ☐ I met a student that intended to follow up for research
- ☐ I met a mentor that intended to follow up for mentorship
- ☐ I was not able to meet with many/any interested students
- ☐ I felt this section was a waste of time

20. How can we improve the lunch period networking, mentorship, and research?

21. Overall the symposium: (multiple answers okay)

- ☐ Too long
- ☐ Too short
- ☐ Should be on a saturday
- ☐ Should be during the week (and made much shorter)

22. How can we better market/assure attendance for the conference, for faculty and students?

23. How would you rate the symposium overall?

24. Additional feedback: Please let me know how we can improve this next year! What things to keep or change or scrap
