Dear Participant,

Your Consent on answering this questionnaire is very appreciated. We are conducting this survey to identify the level of acceptance and knowledge about deceased organ donation and related factors.

All the information collected is anonymous and confidential.

Do you consent to participate in this study? *

Yes

No

Gender:

Male

Female

Age:

18-24 years

25-34 years

35-44 years

45-54 years

55 years and more

From which of the following areas were you displaced?

Khartoum State

Jazeera State

Other:

Residence area:

Shendi

Dongola

After displacement, where do you live now?

Owned house

Rented house

With relatives

Displaced camp

Educational level:

No formal education

Primary school

High school

Higher degrees

Employment status:

Government employee

Non-government employee

Housewife

Student

Freelancer

What are your chronic diseases?

Hypertension

Diabetes

Heart disease

Thyroid disease

Asthma

Other:
