

Post-SIMBA evaluation for SIMBA Adrenal 2025 Day 2

Please complete this questionnaire with spontaneous answers to reflect your true response. The information will be anonymised during analysis for presentation and publication .

A certificate of attendance will be sent to the email you have provided after completion of this evaluation.

* Indicates required question

1. SIMBA ID *

*Assigned SIMBA ID Number available in sent email

2. Name (as you would like it to be on the attendance certificate) *

3. Email address (to which you want your attendance certificate to be sent) *

4. What is your gender *

Mark only one oval.

Female

Male

Prefer not to say

Other: _____

5. Level of training

Mark only one oval.

- Foundation Year 1/Intern
- Foundation Year 2/SHO
- Internal Medicine Training
- Core Medical Training 1
- Core Medical Training 2
- Specialty Training 3
- Specialty Training 4
- Specialty Training 5
- Specialty Training 6
- Specialty Training 7
- Out of Programme
- Consultant
- House Officer
- Medical Officer
- Resident Physician
- Senior Resident/Fellowship
- Other: _____

8. How clinically and intellectually stimulating was each of these cases *

Mark only one oval per row.

	Very stimulating	stimulating	Somewhat stimulating	undecided	somewhat boring	boring	Very boring
MACS	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Cushing's Syndrome	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
PBMAH	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Primary Aldosteronism	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Takeaway points from the session

9. The simulated topics are applicable to my practice *

Mark only one oval.

Strongly agree

Agree

Agree somewhat

Undecided

Disagree somewhat

Disagree

Strongly disagree

10. Which of the following competency areas do you feel have been improved by today's teaching with SIMBA? (tick as many * as appropriate)

Mark only one oval per row.

	Yes	No
Patient care	<input type="radio"/>	<input type="radio"/>
Professionalism	<input type="radio"/>	<input type="radio"/>
Knowledge on patient management	<input type="radio"/>	<input type="radio"/>
System-based practice	<input type="radio"/>	<input type="radio"/>
Practice-based learning	<input type="radio"/>	<input type="radio"/>

11. As a result of what I have learned today, I intend to make the following changes to my practice that I believe will impact my patients' care in a positive way:

SIMBA Feedback

12. How would you rate the overall quality of this SIMBA teaching session? *

Mark only one oval.

- Excellent
- Good
- Fair
- Poor
- Very Poor

compared to
traditional
lecture-based
learning

20. How would you rate the ease of your interaction with your moderator? *

Mark only one oval.

1 2 3 4 5 6 7 8 9 10

21. Mild Autonomous Cortisol Secretion: Dr Agata Juszcak provided a balanced (evidence-based where possible) approach *
to the case simulated.

Mark only one oval.

- Strongly agree
- Agree
- Agree somewhat
- Undecided
- Strongly disagree

22. Cushing's Syndrome: Dr Lorenzo Tucci provided a balanced (evidence-based where possible) approach to the case simulated. *

Mark only one oval.

- Strongly agree
- Agree
- Agree somewhat
- Undecided
- Strongly Disagree

23. Primary Bilateral Macronodular Adrenocortical Hyperplasia: Dr Rossella Libe provided a balanced (evidence-based where possible) approach to the case simulated. *

Mark only one oval.

- Strongly agree
- Agree
- Agree somewhat
- Undecided
- Strongly Disagree

24. Primary Aldosteronism: Dr Alessandro Prete provided a balanced (evidence-based where possible) approach to the case simulated. *

Mark only one oval.

- Strongly agree
- Agree
- Agree somewhat
- Undecided
- Strongly Disagree

25. Please comment on the patient and public involvement during the session. How useful to your clinical practice and learning was this? *

26. Will you attend future similar SIMBA sessions? *

Mark only one oval.

- Yes
- No
- Maybe

27. The length of each simulation was reasonable (Please add comments in free text if applicable) *

Mark only one oval.

Yes

No

Other: _____

28. Please write down any additional comments regarding chair's contribution
