generated_note_name_46	<b>CONSENT TO PARTICIPATE IN THE RESEARCH STUDY</b>  <b>Informed Consent Forms for Health Facilities Survey</b>  <b>Introduction</b>  Greetings: My name is [q1_name]. I am working with the African Population and Health Research Center in partnership with the Guttmacher Institute. We are conducting a research study on reproductive health care delivery in order to improve these services. You are invited to take part in this research study. Before you decide whether to participate, you need to understand why the research is being done and what it will involve. Please take the time to listen as I read the following information. Let me know if anything is unclear, or if you would like more information. When all your questions have been answered and you feel that you understand this study, you will be asked if you wish to participate in the study and we will indicate "Yes" on the tablet.													
	<b>Purpose of the research study</b>  We are interviewing you regarding reproductive health services offered at this facility, primarily post-abortion complications and care. Representing the health facility that you work for, you will be asked about the post-abortion care services offered in your facility and about the facility's capacity to offer these and other related services. You will also be asked for your opinion about provision of these services. Your participation is voluntary, and you will not receive any compensation, monetary or other, for participating in this study.													
	<b>Risks</b>  There are some potential risks to participating in this study. One risk is that some of the questions may make you uncomfortable. You may skip these questions or any others that you are unwilling or unable to answer. You may also stop the interview at any time. There is also a risk that if someone is nearby while you are being interviewed, they may be able to see or hear your answers. This may occur without us knowing; therefore we will seek out a private location for the interview to reduce the risk of this happening. However, if this occurs, we may discontinue the interview and reschedule it for another time and place. There is a risk that the information collected in this study could be accessed in the event of unofficial access to the data online. If a member of the research team that you have been in contact with has developed symptoms of COVID-19, we will contact you to inform you of the exposure. Therefore, we are requesting participant phone numbers only to contact you in the event of COVID-9 exposure. However, if we do not have a phone number to contact you with, we will not be able to inform you of the exposure.													
	<b>Benefits</b>													

Field	Question	Answer
	<p>There are no direct benefits to you for participating in the study. You may find an indirect benefit in knowing you have participated in an important project that could help others in the future. This research will improve the understanding of post-abortion care in Kenya, which could lead to better services for many women.</p> <p><b>Confidentiality</b></p> <p>We will do our best to keep your answers confidential. Participants will not be identified by their name or institutional affiliation, i.e., meaning that your name, address, or phone number will not be collected. If you consent to being re-contacted, only authorized field staff will have access to your phone number and will reach out to you if needed, in case of COVID-19 exposure or to clarify details. Your phone number will be stored separately from the information that you provide during this interview and will only be kept for two years following the date of your interview.</p> <p>To further protect your confidentiality, this survey data will be kept on a secure server and will only be available to the research team.</p> <p>Three years after the publication of the study report, the study data will be filed away without containing any information that could identify you. These de-identified data may be used by other researchers who are not on the study team. None of the information that identifies you will be quoted anywhere.</p> <p><b>Voluntariness</b></p> <p>Your participation in this study is entirely voluntary. There is no penalty for refusing to take part, and you are free to withdraw your consent at any time. If you agree to participate, you are free to skip any questions and you may end the interview at any time without penalty or loss of existing benefits to which you are entitled. You may refuse to provide your phone number, and you may still participate in the study.</p> <p><b>Additional Information</b></p> <p>The results of the study will be published in a report and in scientific papers. If you are concerned about any aspect of the study, you may ask to speak to the project team who will do their best to answer your questions. Any complaint about the way you have been treated during the study, or any harm you might have suffered, will be given full attention by the project coordinator. You may call <b>APHRC project coordinator for HFS at 0726902835</b>.</p> <p>We would greatly appreciate your help in responding to this survey. It will take approximately 60 minutes to complete.</p>	
consent (required)	C1. Do you agree to participate in the survey? [Consent to participate in the study]	<input type="radio"/> Yes <input type="radio"/> No

Group relevant when: \${Q100} =1		
generated_note_name_66	<p><b>SECTION 1: GENERAL FACILITY QUESTIONS</b></p> <p>In this first section, I am going to ask you several questions about the general operations of this facility.</p>	
RESPONDENT AVAILABLE > CONSENTED > grp_worked6months > SECTION 1: GENERAL FACILITY QUESTIONS		
Q101 (required)	101. Does this facility offer patient services and care 24 hours per day, 7 days per week?	<input type="checkbox"/> 1 Yes <input type="checkbox"/> 2 No <input type="checkbox"/> 99 Refused <input type="checkbox"/> 98 Don't know
Q102a (required)	<p>102a. If no, how many days a week does this facility offer patient services and care?</p> <p><i>Hint: Do not read the answer categories out loud. Check the appropriate corresponding category.</i></p> <p>Question relevant when: \${Q101} =2</p>	<input type="checkbox"/> 1 1-2 days <input type="checkbox"/> 2 3-5 days <input type="checkbox"/> 3 6-7 days <input type="checkbox"/> 98 Don't know <input type="checkbox"/> 99 Refused
Q102b (required)	<p>102b. On days the facility is open, approximately how many hours per day does this facility offer patient services and care?</p> <p><b>Note:</b> if it is a complicated schedule (ie. open a certain number of hours on certain days and different hours on other days, can specify in "other, specify")</p> <p><i>Hint: Do not read the answer categories out loud. Select the appropriate corresponding category.</i></p> <p>Question relevant when: \${Q101} =2</p>	<input type="checkbox"/> 1 6 hours or less <input type="checkbox"/> 2 Between 7 and 12 hours <input type="checkbox"/> 3 Between 13 and 18 hours <input type="checkbox"/> 4 Over 18 hours <input type="checkbox"/> 96 Other, specify <input type="checkbox"/> 98 Don't know <input type="checkbox"/> 99 Refused
Q102b_spy (required)	102b. Please specify hours	
Question relevant when: \${Q102b} =96		
Q103 (required)	103. Does your facility have electricity from any source (e.g. electricity grid, generator, solar, or other) throughout the facility as well as for stand-alone devices (EPI cold chain)?	<input type="checkbox"/> 1 Yes <input type="checkbox"/> 2 No <input type="checkbox"/> 99 Refused <input type="checkbox"/> 98 Don't know
Q104 (required)	104. What is the facility's PRIMARY source of electricity?	<input type="checkbox"/> 1 Central supply of electricity (e.g. national or community grid, hydro) <input type="checkbox"/> 2 Generator (fuel or battery operated generator) <input type="checkbox"/> 3 Solar system <input type="checkbox"/> 4 Don't know <input type="checkbox"/> 96 Other, Specify <input type="checkbox"/> 99 No response
Q104_spy (required)	104a. If other, specify source of electricity	
Question relevant when: \${Q104} =96		
Q105 (required)	105. Does this facility have a phone service (private or facility-supported cell, or landline) that is functional TODAY?	<input type="checkbox"/> 1 Available and Functional <input type="checkbox"/> 2 Available but not Functional <input type="checkbox"/> 3 Not available <input type="checkbox"/> 99 No response
Q106 (required)	106. When you are on the facility premises, is there cellular network coverage?	<input type="checkbox"/> 1 Yes, always <input type="checkbox"/> 2 Yes, sometimes <input type="checkbox"/> 3 No <input type="checkbox"/> 98 Don't know <input type="checkbox"/> 97 Refused

Field	Question	Answer			
		99 No response			
Q107 (required)	<b>107.</b> Does this facility have an ambulance or other vehicle that is functional today for emergency transportation for clients, that is stationed at THIS facility?  [Observe that the vehicle is on the facility premise, or check the day's dispatch records]	1	Yes	2	No
		98	Don't know	99	Refused
Q107a (required)	<b>107a.</b> IF YES, does this vehicle have fuel today?  [Observe if the vehicle has fuel.] Question relevant when: \${Q107} =1	1	Yes	2	No
		98	Don't know	99	Refused
Q107b (required)	<b>107b.</b> How often does that vehicle <b>not</b> have fuel? [Read response categories aloud.] Question relevant when: \${Q107} =1	1	Always	2	Most of the time
		3	Some of the time	4	Rarely
		5	Never	99	No response
Q108 (required)	<b>108</b> Does this facility have access to an ambulance or other vehicle that is functional today for emergency transportation for clients, that is stationed at or attached to ANOTHER facility? [Read response categories aloud.] Question relevant when: \${Q107} =2	1	Yes	2	No
		99	Refused	98	Don't know
Q108a (required)	<b>108a.</b> IF YES, to your knowledge, does that vehicle have fuel today? Question relevant when: \${Q108} =1	1	Yes	2	No
		98	Don't know	99	Refused
Q108b (required)	<b>108b</b> How often does that vehicle not have fuel? [Read response categories aloud.] Question relevant when: \${Q108} =1	1	Always	2	Most of the time
		3	Some of the time	4	Rarely
		5	Never	99	No response
Q109 (required)	<b>109</b> Are there staff who have been trained to provide emergency ambulance care, either at this facility, or at the facility where your ambulance is attached?	1	Yes	2	No
		99	Refused	98	Don't know
Q110 (required)	<b>110</b> If you have a reproductive health-related emergency, which facility do you refer the emergency to?  <i>If the facility is a high-level hospital that does not refer emergency PAC patients elsewhere, enter "No referrals". This response should be rare. Make sure it is appropriate for the level of facility you are interviewing.</i>  <i>[Please write in the name of the facilities. You can enter more than 1]&lt;br/&gt;&lt;br/&gt;If they refer to another ward in the same facility, enter the name of the ward, e.g. "obstetrics ward."&lt;br/&gt;&lt;br/&gt;If the facility is a high-level hospital that does not refer emergency PAC patients elsewhere, enter "No referrals". &lt;br&gt;This response should be rare. Make sure it is appropriate for the level of facility you are interviewing.&lt;/br&gt;</i>				
Q111 (required)	<b>111</b> Is there at least one room with auditory and visual privacy for patient consultations? [Observe auditory and visual privacy, and ask OIC regarding measures taken to ensure privacy (e.g. if room is open concept, do they bring in a divider?)]	1	Auditory privacy only	2	Visual privacy only
		3	Both auditory and visual privacy	4	No privacy
		99	No response

generated_note_name_223	<p><b>SECTION 4: ABORTION COMPLICATION CASELOADS</b></p> <p>Now, I would like to ask you some questions regarding medical care for patients treated at this facility with abortion complications, irrespective of whether the abortion was spontaneous or induced.</p> <p>Abortion complications, as defined here, include not only the extremely serious cases such as those with sepsis or a perforated uterus, but also those cases which are termed "incomplete abortions," which are usually identified by heavy bleeding, and which present a somewhat less severe health risk to the woman, but which, nevertheless, require treatment in a health facility. Please do not consider threatened abortions as an abortion complication. In answering the following set of questions concerning abortion complications, please keep this definition in mind.</p> <p><b>Interviewer:</b> [For the questions that follow, please note that the abortion-complication questions relate to both spontaneous and induced abortions. You should reiterate this as often as possible while completing this section. Please discourage the respondent from consulting any medical records.]</p>
