Dear Dr Leng,

That would be fine. Please let us know once you are ready to complete the submission and we will reinstate the manuscript for you on the system.

Kind regards,
Caterina Timu

Dear Editorial Office,

Thank you for your reminder regarding our submission, COMMSMED-25-0352-T, and for extending the deadline to March 24th. To incorporate additional analyses and further enhance our manuscript, we kindly request an additional extension of 1–2 months.

We understand that the deadline can typically only be extended once, but we would greatly appreciate your consideration of our request given the significant improvements we aim to make. Please let us know if this request is possible or if alternative arrangements might be considered.

Thank you for your understanding and support. We look forward to your response.

Best regards,
Yue

Subject: Communications Medicine Partial Submission Past Due

19th Mar 2025

Dear Dr. Leng,

Thank you again for choosing Communications Medicine. We have noticed that your submission, COMMSMED-25-0352-T, is still incomplete since our first follow-up email to you and is about to be deleted.

If you need more time and have still not utilized the extension link provided in our previous email to you, we suggest you use this now. Please note that your deadline can only be extended once and if you have already used the extension link it will now be inactive.

However if you are experiencing problems with your submission or need more time, please do not hesitate to contact the editorial office directly at commsmed@nature.com. To continue working on your submission please click here:
