

## Ethics Approval Certificate

Approval No.: CRPPHO 193/2566

This research and the accompanying documentation listed below have been reviewed by the Human Research Ethics Committee of the Chiang Rai Provincial Public Health Office. The committee has concluded that the proposed study complies with international ethical standards, as well as national laws, regulations, and guidelines. Therefore, approval is granted for the research to proceed as proposed.

**Title of the Study:** Development of a mobile web application to promote adolescent health literacy among the hill tribe junior high school students in Thailand

**Affiliated Institution:** Center of Excellence for the Hill-tribe Health Research, Mae Fah Luang University

**Principal Investigator:** Thapakorn Ruanjai

**Approved Documents:**

1. Research Proposal
2. Research Project Questionnaire
3. Participant Information Sheet
4. Informed Consent Form

Accordingly, the committee hereby approves the implementation of the research within the scope submitted to the Human Research Ethics Committee, Chiang Rai Provincial Public Health Office, from November 10, 2023 to November 9, 2024.
