STATIC TEXT

E visits.Any(x=>x.mrsp == 1 || x.orsp == 1) || qnr_parent==2

Hello, my name is _____ and I work for Oxford Policy Management. Thank you for the opportunity to speak with you. Your household took part in a study on chicken-keeping and other livelihoods to understand how purchasing vaccinated day old chicks improves the life of chicken-keeping farmers, including their nutrition, health, and well-being in 2023.

STATIC TEXT

E visits.Any(x=>x.mrsp == 1 || x.orsp == 1) || qnr_parent==2

We will use approximately 2 hours to collect all the information. The survey will again collect information about your income-generating activities, food consumption, and living conditions. As in baseline would like to know how your household responded to difficult situations in the year. Finally, we want to know about your attitudes and mobility within and outside the community. The research team may attempt to recontact you to ask more detailed questions about the topics covered in this survey. If we attempt to recontact you, your participation is voluntary.

STATIC TEXT

E visits.Any(x=>x.mrsp == 1 || x.orsp == 1) || qnr_parent==2

There will be no cost to you other than your time and there is very little risk to you in taking part in this survey. Your participation in this research is completely voluntary. You can stop answering questions at any time and you will not be adversely affected. You can also ask me any questions. You are also free to refuse to answer any question we may ask.

STATIC TEXT

E visits.Any(x=>x.mrsp == 1 || x.orsp == 1) || qnr_parent==2

This study is conducted anonymously. You will only be identified through code numbers and not by name. Any information we obtain from you during the research will be kept strictly confidential. We will not share the information you give us with anyone else outside the study team.

STATIC TEXT

E visits.Any(x=>x.mrsp == 1 || x.orsp == 1) || qnr_parent==2

Your participation will be highly appreciated. The answers you give will help provide better information to policy-makers, practitioners, and program managers so that they can plan for better services to support your chicken-keeping activities.

If you experience any problems with any member of our survey team, you may contact _____ who represents Oxford Policy Management as the person responsible for operations and administration of the survey.

Do you agree to participate in our research?

SINGLE-SELECT

STATIC TEXT

I would like to ask you about the types of foods (meals and snacks) that you or other members of the household ate or drank in the past 7 days, that is from the morning of last %rc17fdy% until yesterday at night.

Here we are interested:

- 1) Food consumed inside the household whether or not prepared at home and
- 2) Food consumed outside the household but that was prepared at home.

F2. On how many days in the past 7 days did you or anyone in your household consume any <u>rice, maize, ugali, bread, mandazi, chapati, macaroni or any other food made from wheat flour, millet, sorghum or other grain?</u>	NUMERIC: INTEGER ----- SPECIAL VALUES 00 NONE	fd_grains
V1 self.InRange(0,7) M1 Cannot be more than 7 days		
F3. On how many days in the past 7 days did you or anyone in your household consume any <u>pumpkin, carrots, squash, or sweet potatoes that are yellow or orange inside?</u>	NUMERIC: INTEGER ----- SPECIAL VALUES 00 NONE	fd_vaveg
V1 self.InRange(0,7) M1 Cannot be more than 7 days		
F4. On how many days did you or anyone in the household consume any <u>fresh cassava, cassava dry or flour, irish potatoes, white yams, cocoyams, manioc??</u>	NUMERIC: INTEGER ----- SPECIAL VALUES 00 NONE	fd_tubers
V1 self.InRange(0,7) M1 Cannot be more than 7 days		

<p>F5. On how many days did you or anyone in the household consume any <u>spinach, cassava leaves, pumpkin or sweet potato leaves, or any dark green leafy vegetable?</u></p> <p>V1 self.InRange(0,7) M1 Cannot be more than 7 days</p>	<p>NUMERIC: INTEGER fd_leaves</p> <p>-----</p> <p>SPECIAL VALUES</p> <p>00 NONE</p>
<p>F6. On how many days did you or anyone in the household consume any <u>onions, tomatoes, green pepers, cooking banana or other vegetable?</u></p> <p>V1 self.InRange(0,7) M1 Cannot be more than 7 days</p>	<p>NUMERIC: INTEGER fd_veg</p> <p>-----</p> <p>SPECIAL VALUES</p> <p>00 NONE</p>

```

APPENDIX B — VALIDATION CONDITIONS AND MESSAGES

[1] `e1_age`: C7. What is `%hroster%`'s age?

Validation Condition:

```
self>=0 && self<100 || self==99
```

Validation Message: Age not in range

Validation Condition:

```
@rowcode==e1_headcd && age!=-99 ? age>15 : true
```

Validation Message: Age too young to be head.

Validation Condition:

```
rel==12 && age!=-99 ? age > 30 : true
```

Validation Message: Age too young to be parent in law

Validation Condition:

```
rel.InList(6) && age!=-99 ? age < 50 : true
```

Validation Message: Age too old to be a grandson or daughter

Validation Condition:

```
rel == 3 && age!=-99 ? ! hroster.Any(x=>x.ishead==1 && x.age<=age+12) : true
```

Validation Message: Age too old to be child of the head.

Validation Condition:

```
rel == 6 && age!=-99 ? ! hroster.Any(x=>x.ishead==1 && x.age<=age+24) : true
```

Validation Message: Age too old to be grand child of the head.

Validation Condition:

```
rel == 7 && age!=-99 ? ! hroster.Any(x=>x.ishead==1 && x.age>=age-12) : true
```

Validation Message: Age too young to be parent of the head.

Validation Condition:

```
rel.InList(2) && age!=-99 ? age > 15 : true
```

Validation Message: Age too young to be spouse.

Validation Condition:

```
rel == 4 && age!=-99 ? ! hroster.Any(x=>x.ishead==1 && x.age<=age+5) : true
```

Validation Message: Age too old to be step child.

Validation Condition:

```
e1_rsnjon == 1 ? age <= 2 // if newborn, age should be <=2  
: e1_rsnjon.InList(3,4,6,8,9) ? age >= 15 // unlikely if younger  
: e1_rsnjon == 5 ? age >=8 // only possible if at school at BL  
: e1_rsnjon.InList(7,10) ? age >= 2 // must have been alive at BL  
: true
```

Validation Message: Age and reason for joining household are unlikely to match.

APPENDIX C — INSTRUCTIONS

- [1] **hh_num: C1. How many members are a part of your household? By household members I mean all people who normally live and eat together, and who share resources among each other. Please include individuals who were recently born or joined the household in any other reason, and individuals who are currently not present but spent more than half of their time in the past 3 months living with members of this household.**
HOUSEHOLD DEFINITION: A household is a group of people, or person, who share food and other resources under a common budget and live in the same compound/homestead.
 POLYGAMOUS HOUSEHOLDS: If this is a polygamous household where more than one spouse lives in the same compound, list ONLY members who share resources with the selected spouse. Include the household head. DO NOT include other spouses and their families.
 HOUSEHOLD MEMBERS include anyone who meets the criteria for being part of the household more than half of the time during the past 3 months, as well as anyone who recently entered the household through birth or marriage to a household member. Always include boarding school students who usually live in this household. People who left the household within the last 3 months are not considered household members if they are not expected to return. A tenant who does not take their meals where they live is considered as a separate household.
- [2] **el_stlhed: Is %pl_headname% still the head of this household?**
HOUSEHOLD HEAD: the individual who plays a leading role in household decision-making, particularly concerning household economic activity and expenditures. Generally, the person identified by the household as the household head is accepted in this role for the survey.
- [3] **semp_list: E6. Which businesses and own account work have the members of this household done during the past 12 month? Start with the one you earned most from.**
Probe 'any other paid work'? List up to 3 businesses. Do NOT include anything that has been recorded previously, i.e sale of live chicken or other livestock, sale of eggs and other livestock products, and salaried jobs.
- [4] **g6_01: M5. During the past 12 months, how often do you generally go to %rostertitle%?**
Guide respondent to think of all the times respondent needed to visit %rostertitle% in the last 12 times. Then find out how many times they actually visited %rostertitle% in order to answer the question.
- [5] **g6_01_s: M5. During the past 12 months, how often do you generally go to %rostertitle%?**
Guide respondent to think of all the times respondent needed to visit %rostertitle% in the last 12 times. Then find out how many times they actually visited %rostertitle% in order to answer the question.
