To,
The Head of Department,
Dept. of Information Science and Engineering,
B.M.S. College of Engineering,
Bangalore.

Date: 26/10/2025

From,
Dr. Nalina V.
Associate Professor
Dept. of Information Science and Engineering
B.M.S. College of Engineering
Bangalore

Respected Madam,

I am writing to request your permission to conduct a user study from the students of our department as part of Samsung PRISM worklet 25LAI10BMS under my guidance. The project is titled, "AgenticAI: Cross Agent Contextual Information storage and retrieval" for which we have implemented a shopping agent application.

This study is being conducted by a team of students under my supervision. The project team consists of the following students:

Sl. No.	Name of Student
1.	Aaryan Agrawal (1BM22IS003)
2.	Pavan Y.D.G. (1BM22IS133)
3.	Sathwik B.C (1BM22IS178)
4.	Shreyas D K (1BM22IS187)

The purpose of this study is to gather subjective feedback on the implemented platform. The study will involve administering a short questionnaire to students of our department. I would like to clarify the details of the study:

- Participants: Students of B.M.S. College of Engineering Information Science and Engineering Department.
- Nature of Participation: Participation will be entirely voluntary. No student will be compelled to take part, and they will be free to withdraw at any point without any consequences.
- Data Collected: Participants will only be asked to rate their experience with the system based on parameters such as relevance, latency, search accuracy, and overall experience on a 5-point Likert scale.
- Sensitive Data: No personal, sensitive, or identifiable data (such as names, contact information, or demographic details) will be collected from the participants.

- Purpose: The aggregated, anonymized data will be used solely for academic publication and to improve the research system.

I confirm that all methods and protocols for this study will be carried out in accordance with relevant guidelines and regulations. I will ensure that informed consent is obtained from all participants before they begin the survey, informing them of the voluntary nature and the purpose of the data collection. I will personally oversee the data collection process to ensure compliance with ethical standards.

I kindly request your approval to proceed with this study. Your permission will be acknowledged in any resulting publications.

Thank you for your time and consideration. I look forward to your favorable response.

Sincerely,

Nalina V
