

Full-length blots corresponding to the proteins shown in Figure 3A.

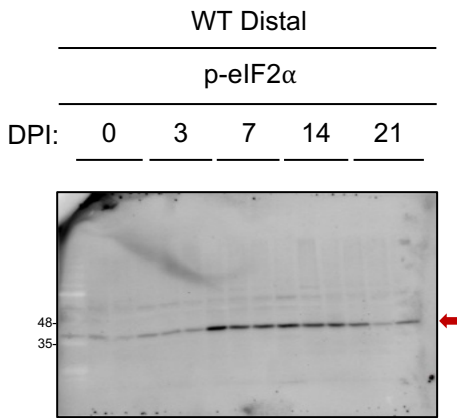

A

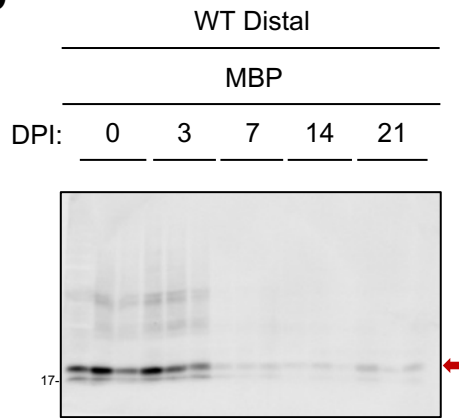

B

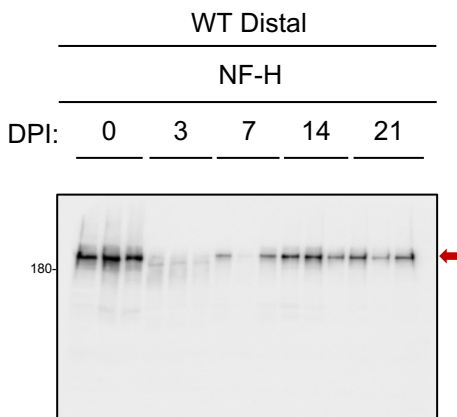

C

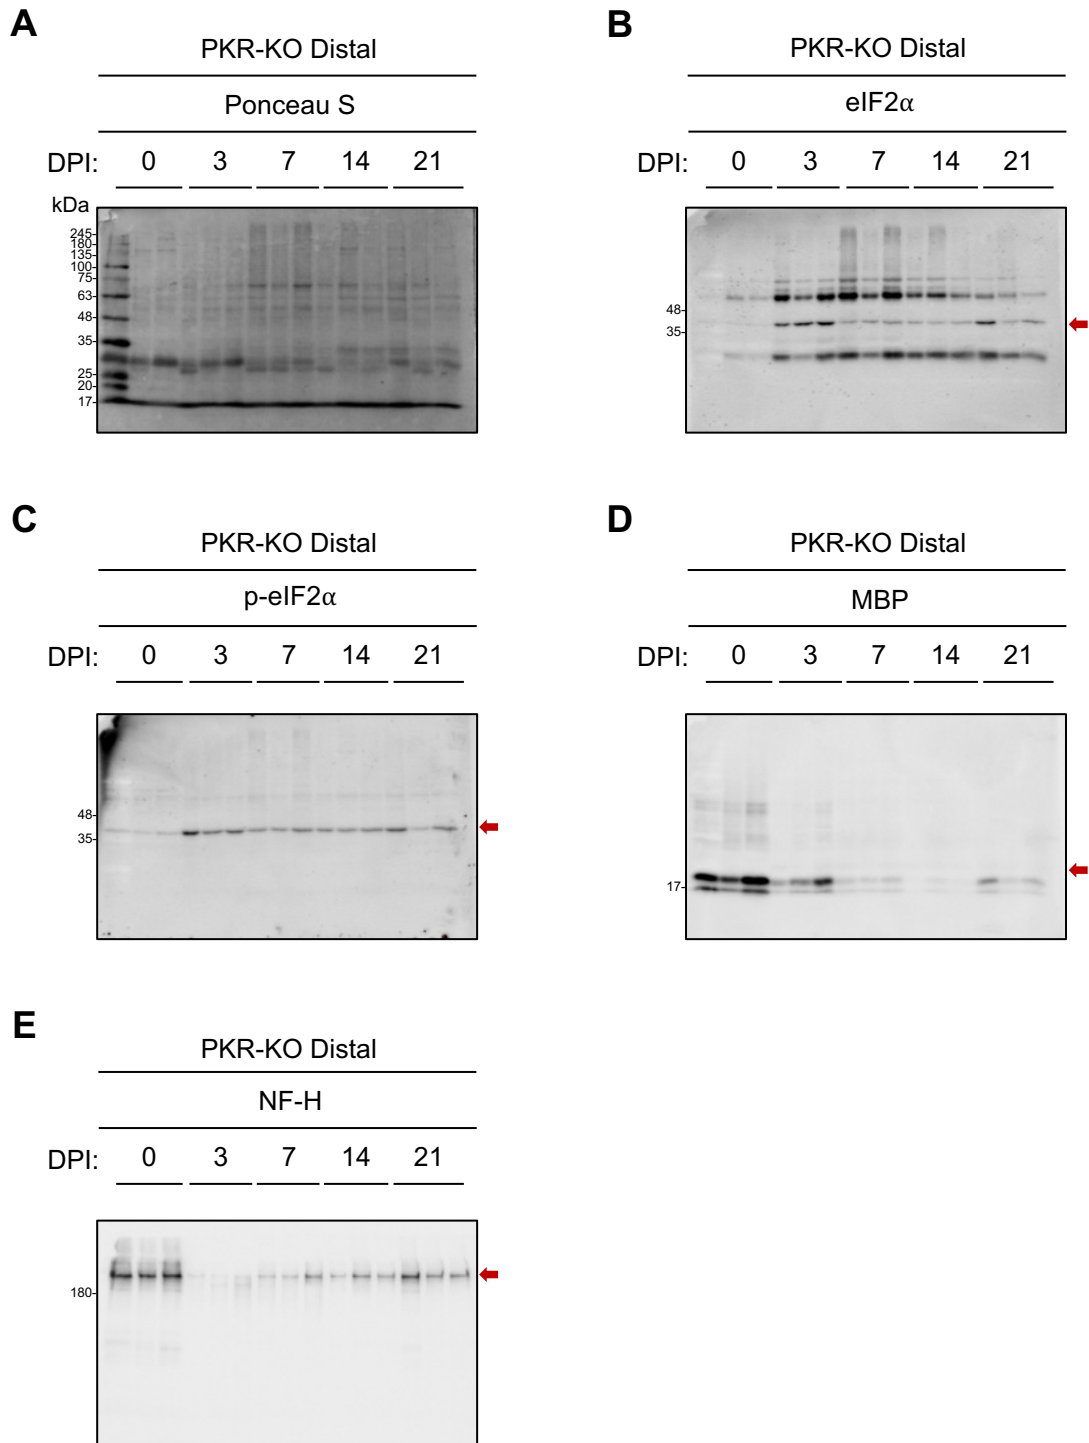

D

E

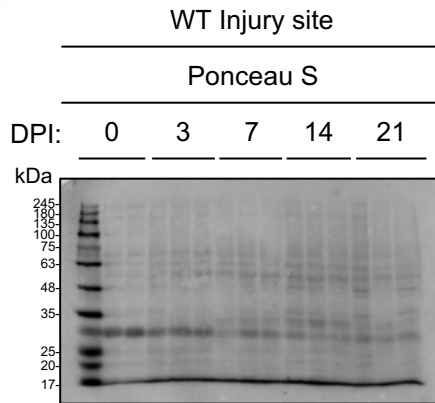

Full-length blots corresponding to the proteins shown in Figure 3D.

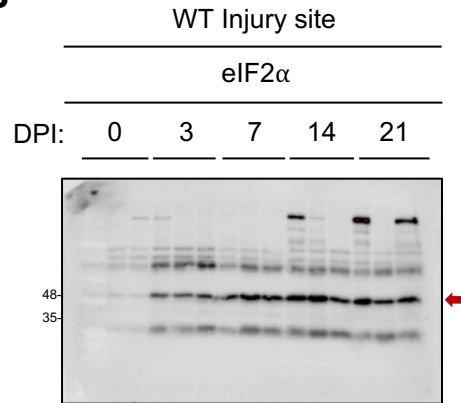

Full-length blots corresponding to the proteins shown in Figure Supplementary 3A.

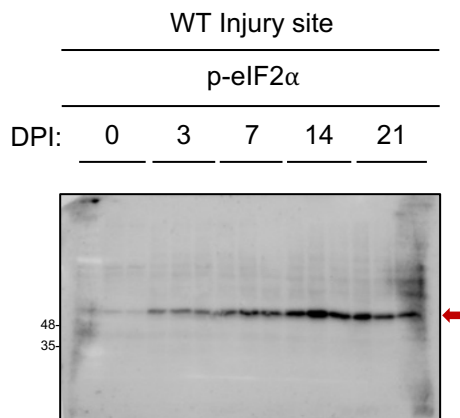

A

B

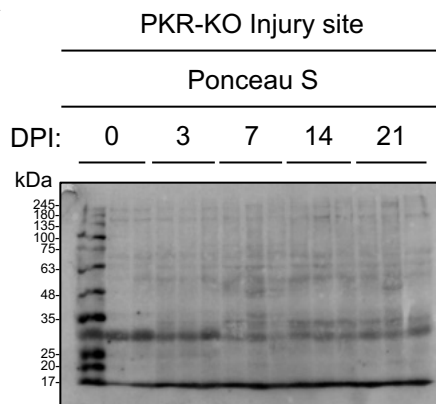

C

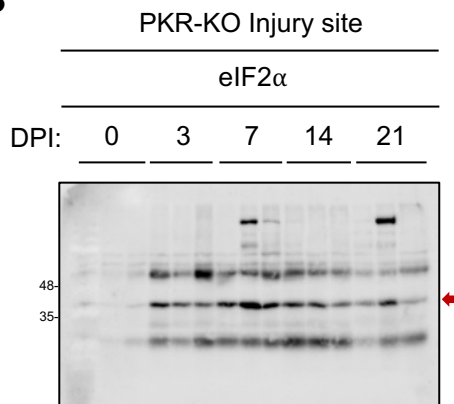

Full-length blots corresponding to the proteins shown in Figure Supplementary 3C.

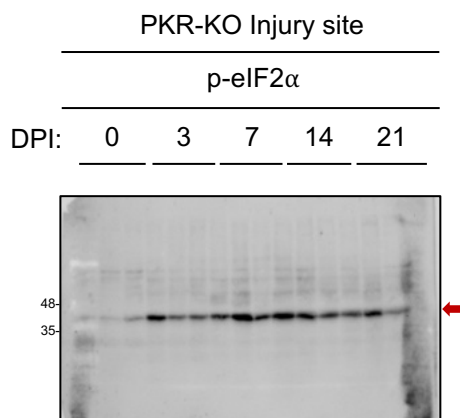

A

B

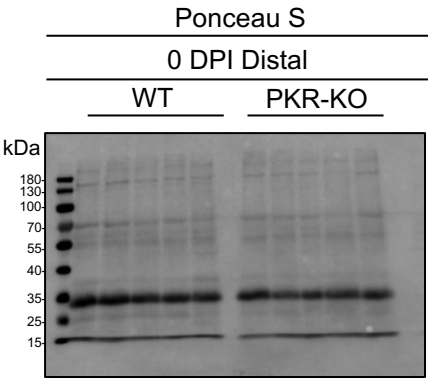

C

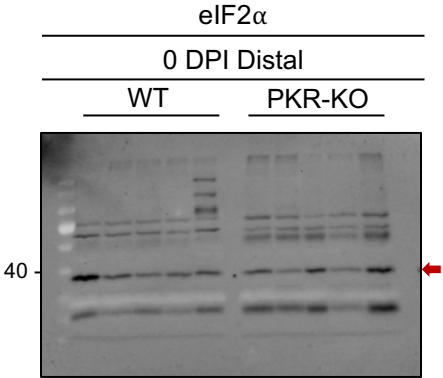

Full-length blots corresponding to the proteins shown in Figure 4A.

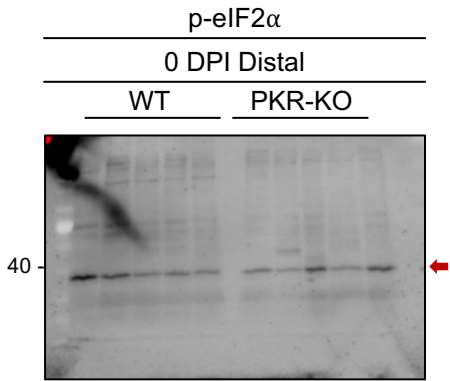

A

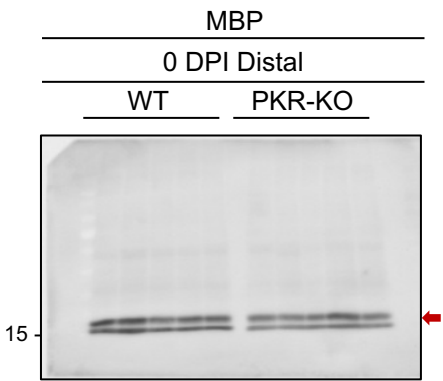

B

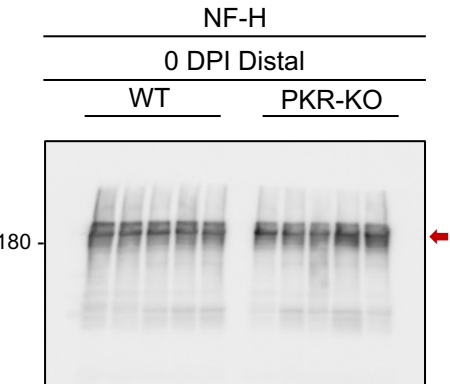

C

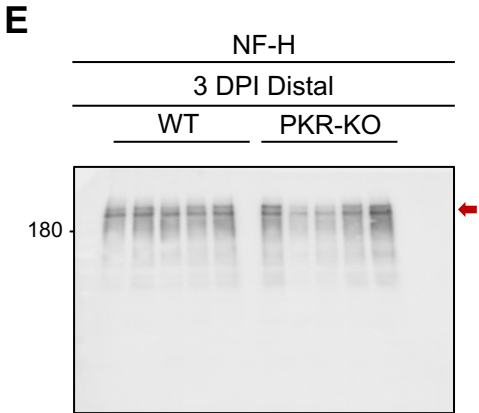

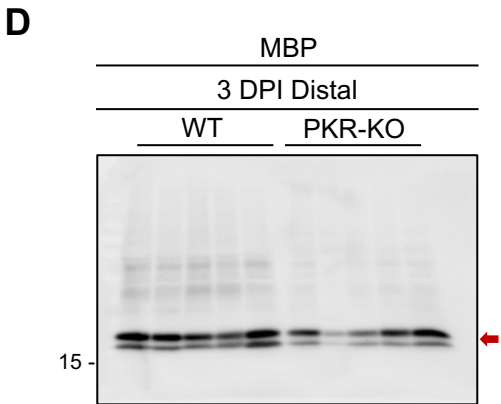

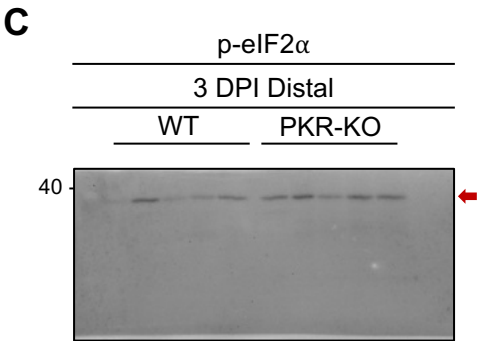

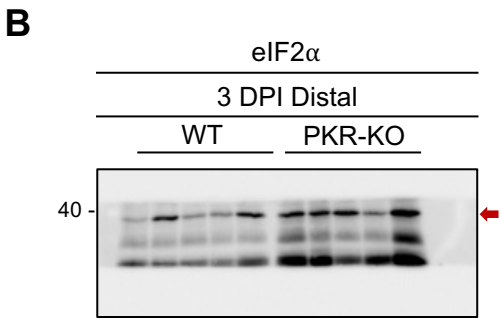

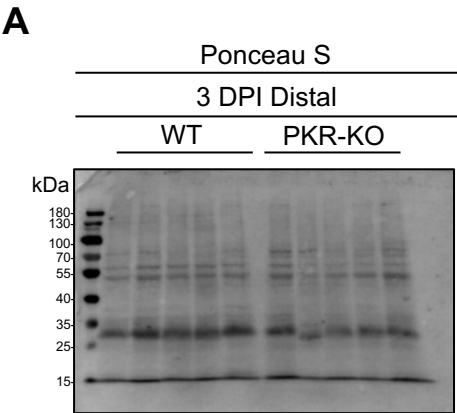

D

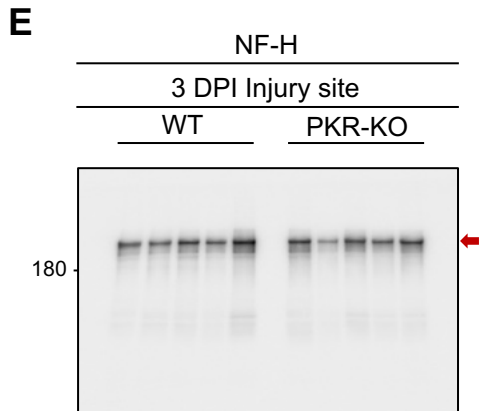

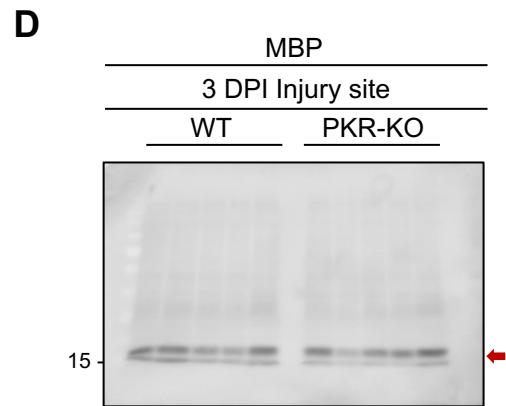

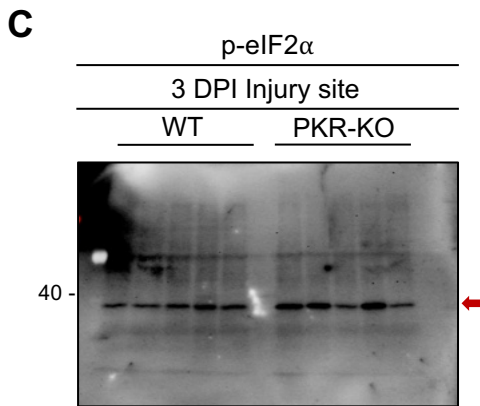

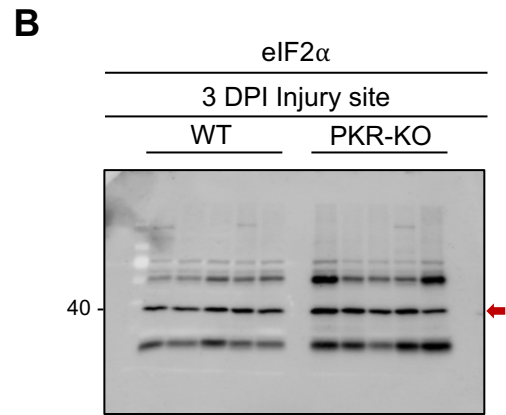

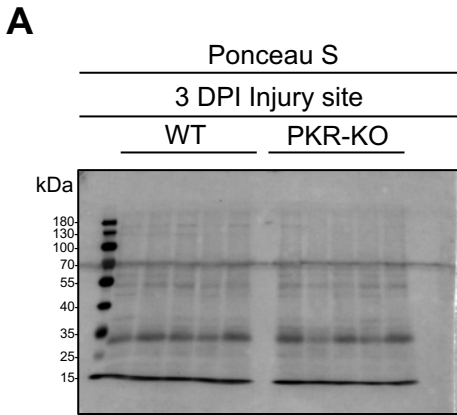

E

Full-length blots corresponding to the proteins shown in Figure 4B.

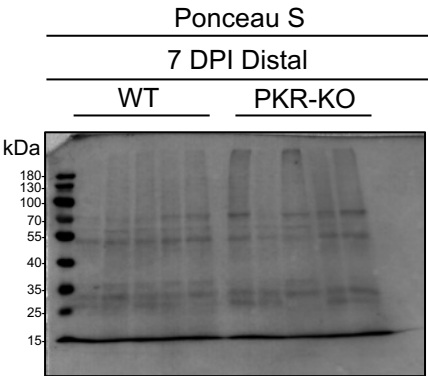

Full-length blots corresponding to the proteins shown in Figure Supplementary 4B.

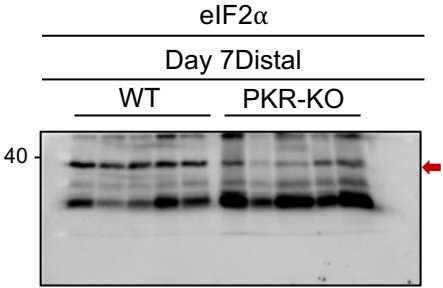

Full-length blots corresponding to the proteins shown in Figure 5A.

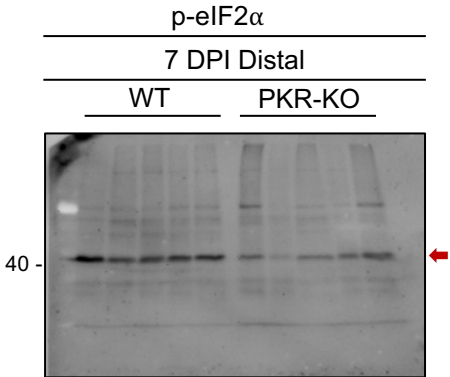

A

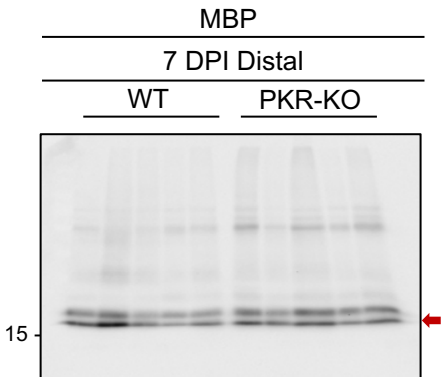

B

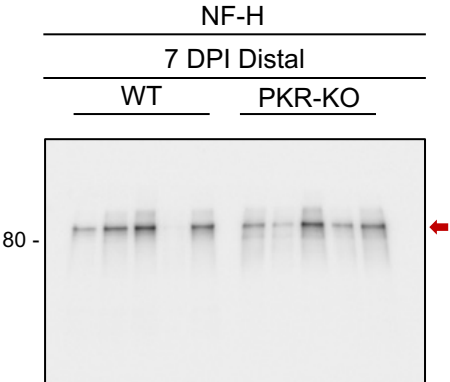

C

D

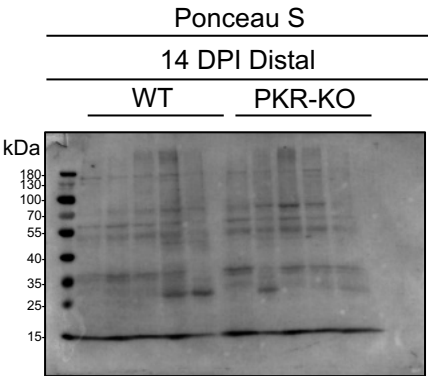

E

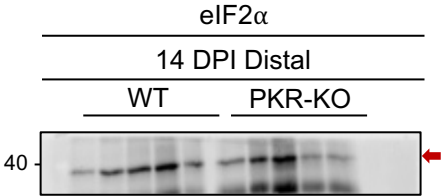

Full-length blots corresponding to the proteins shown in Figure 5B.

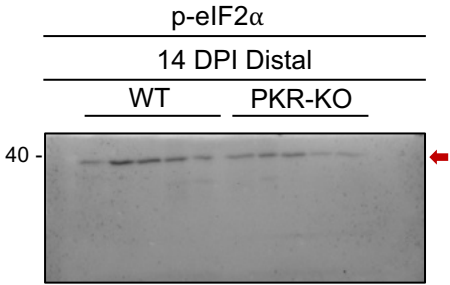

A

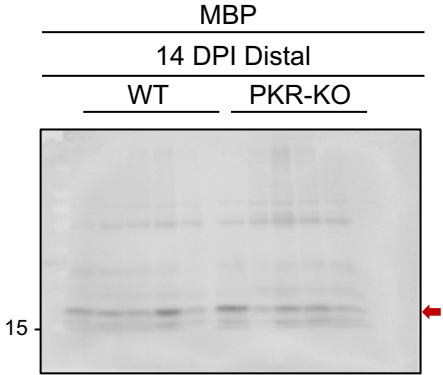

B

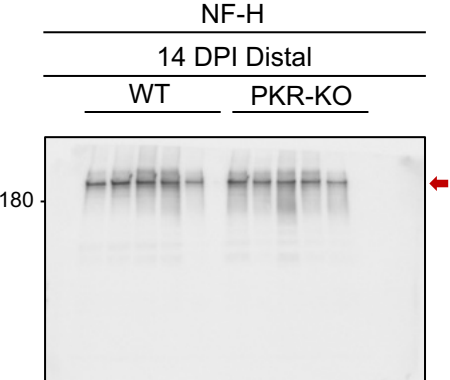

C

D

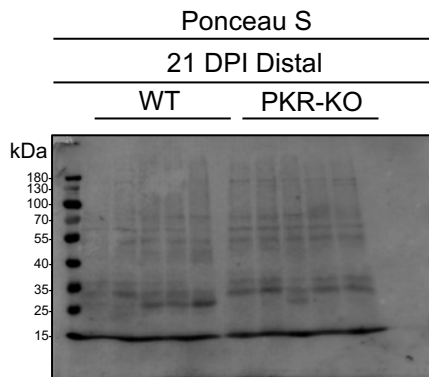

E

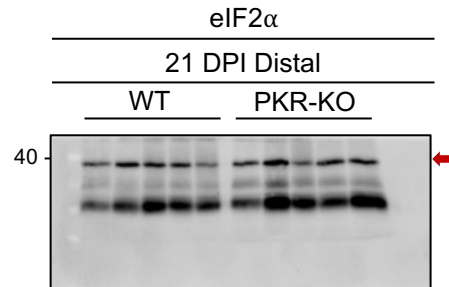

Full-length blots corresponding to the proteins shown in Figure 5C.

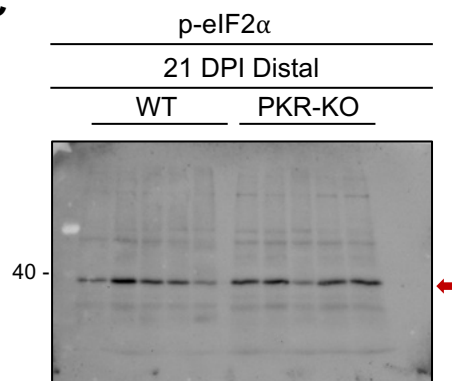

A

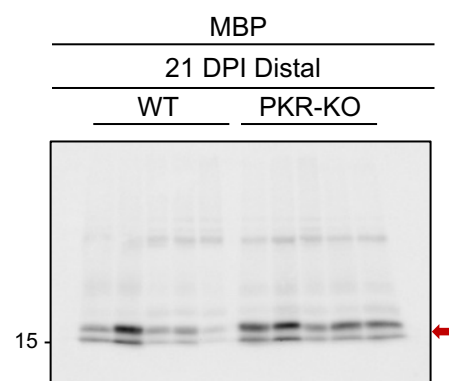

B

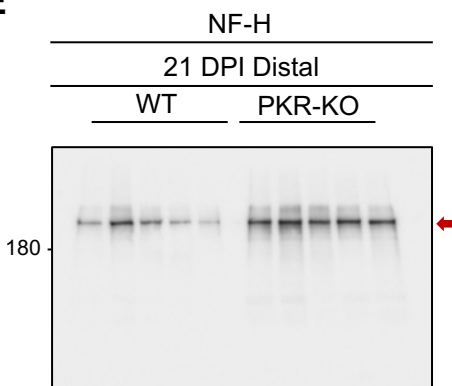

C

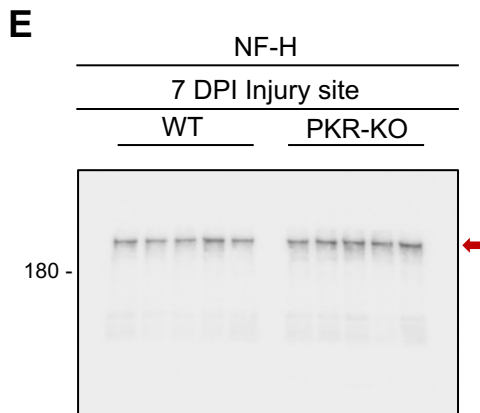

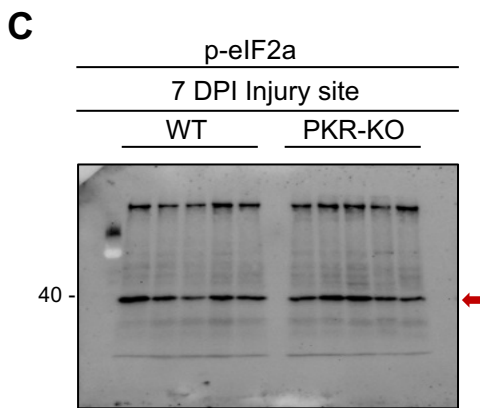

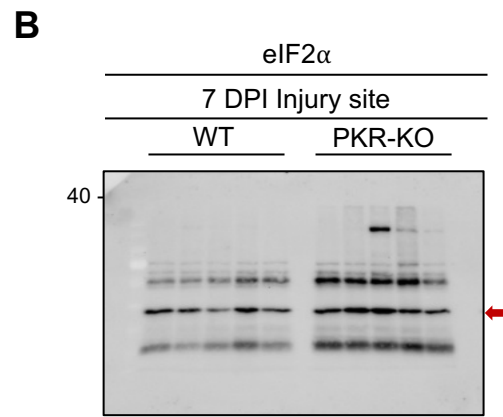

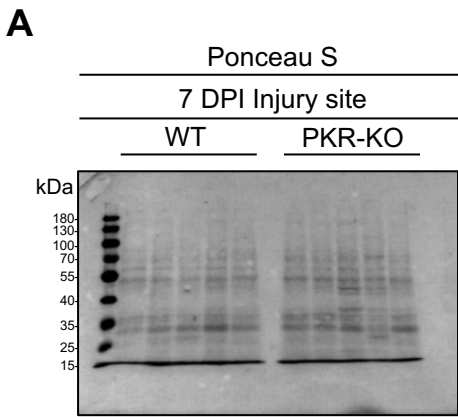

D

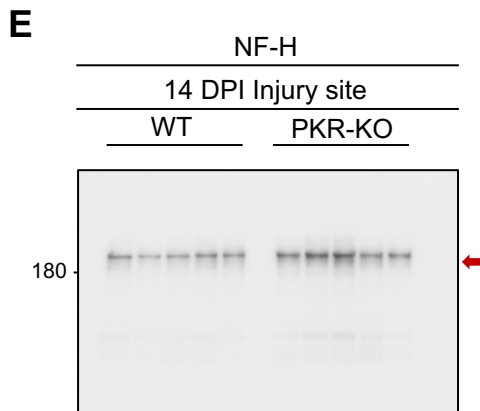

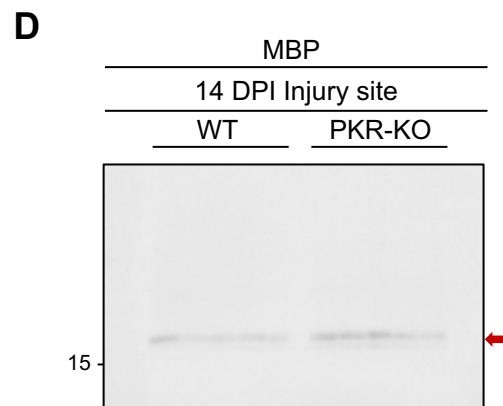

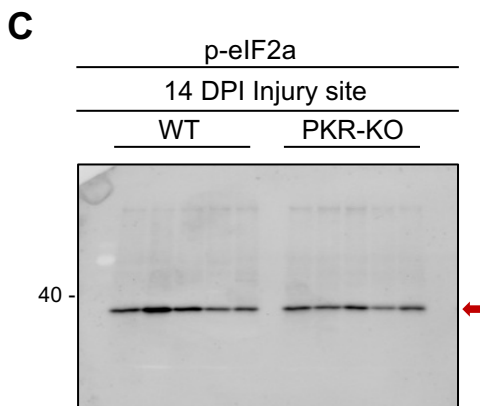

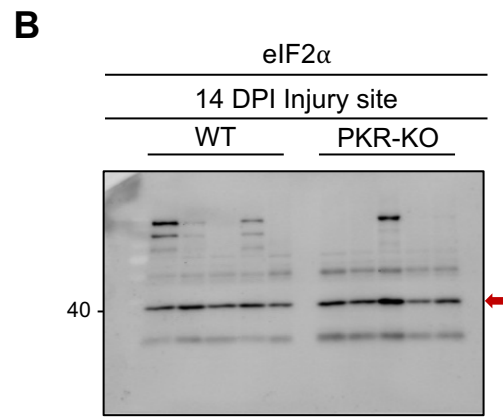

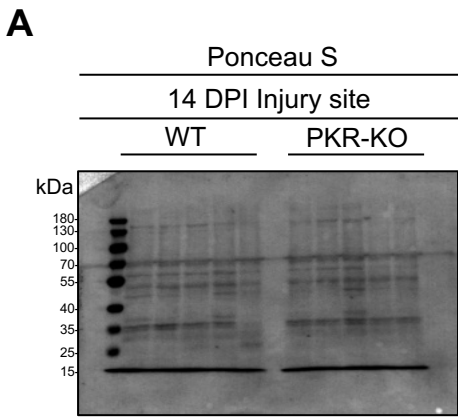

E

Full-length blots corresponding to the proteins shown in Figure Supplementary 5A.

Full-length blots corresponding to the proteins shown in Figure Supplementary 5B.

Full-length blots corresponding to the proteins shown in Figure Supplementary 5C.
