Assessment Scheme and Scoring Standards, IIDC

任课教师 Lecturer __马潇__

一、考核方式和成绩评定

1. Assessment methods and score evaluation

本课程考核采用教学过程与课程作业相结合的考核方式，结合 P1+P2+P3 三个部分的成绩得出最终成绩，P1 部分为学生考勤成绩，占比总成绩的 10%，这部分为学院固定要求。P2 部分及 P3 部分作业及最终作品的具体要求由任课教师决定。

The assessment of this course adopts the evaluation of combination of teaching process and course homework, and combines the results of P1+P2+P3 to get the final score. P1 is the student attendance score, accounting for 10% of the total score. This part is the college fixed requirement. The requirements for P2 and P3 and final work are determined by the lecturer.

P1 成绩:

P1 (Attendance): 10% (fixed)

Students should attend whole class on time. 3 tardy equal 1 absent.

More than 3 absences in attendance will be judged as unqualified (F) in assessment.

If someone is late more than 30 minutes, he/she will get an absence, not tardy.

P2 成绩:

P2 (ppt、presentation): 45%

Assignment 1:ppt

Assignment 2:presentation

P3 成绩:

P3 (Assay): 45%
