

Alumni Questionnaire (Adapted from: Warraich, 2008)

My name is Abbos Utkirov, a postgraduate student of MA IBM at WIUT. I am collecting data for my research paper "Impact of WIUT Library activities on labor market outcome". The aim of the survey is to measure the employability and problems of WIUT graduates. Please read all the questions carefully. The survey has been designed to facilitate easy answering. The answer requires either a select option or to indicate your appropriate responses. There are no right or wrong answers. We want to know your personal opinion. Please answer sincerely to help with the success of our investigation.
