

COVID-19 VACCINE ACCEPTABILITY AMONGST PRIORITY GROUPS IN ZAMBIA
CAVENDISH UNIVERSITY ZAMBIA & CENTRE FOR INFECTIOUS DISEASE RESEARCH IN ZAMBIA

Focus Group Discussion Guide for Community Members

1. Briefly tell us about your community and where you live
2. What messages, if any, heard about COVID-19 and COVID-19 vaccination? [Probe: language, format, messaging, fora]
3. What are your thoughts on COVID-19 vaccination? [Probe: are they enthusiastic or reluctant to get vaccinated and why?]
4. What interactions and discussions have you had, if any, with the health staff or those involved in COVID-19 vaccination in order to share your views and those of the wider community? [Probe: how was it received? Did you get any response? Was there more you feel could have been done?]
5. What is the uptake of COVID-19 vaccination amongst your community members?
6. What else do you think can be done with regard to COVID-19 vaccination within your communities in order to get more people vaccinated?
7. Do you have any other thoughts you would like to share regarding this discussion?
