

# An Exploration of Masculinity among India's Youth, The Man Box

Individuals who are studying in college or university are required to complete this questionnaire. The objective of the study is to understand how young adults perceive masculinity.

## Respondent Consent:

1. I voluntarily agree to participate in this study.
2. I understand that even if I agree to participate now, I can withdraw at any time without any consequences.
3. I have received an explanation of the study's purpose and nature, and I have had the opportunity to ask questions about it.
4. I understand that this study will treat all information I have provided as confidential and use it only for this study purpose.
5. I understand that my identity in any of the results and reports of this research will remain anonymous.
6. I understand that the researcher will confidentially retain the consent forms, original audio recordings, and transcripts in their database for the purpose of obtaining ethical clearance for the study.
