

Author Consent for Publication

We, the undersigned authors, certify that the manuscript entitled “Effectiveness of a Multicomponent Teaching Module on Knowledge Regarding Gestational Diabetes Mellitus and Its Management Among Antenatal Mothers” is an original work and has not been published previously nor is it under consideration for publication elsewhere.

All authors have made substantial contributions to the conception, design, data collection, analysis, interpretation of data, and preparation of the manuscript. All authors have read and approved the final manuscript and agree to its submission and publication in BMC Pregnancy and Childbirth.
